

ATHLETICS EVENTS ARE ON TODAY @MHS!

In an effort to better manage spectators while monitoring the COVID safety expectations at athletic events, we are limiting the number of spectators to two individuals per athlete. We are requesting that the spectators are limited to parents/guardians of the players. All spectators are required to wear a face mask throughout their visit to MHS. The student spectator section is closed. MHS will simultaneously broadcast their HOME varsity athletic events on YouTube on the Bulldog Report page.
