Hello,
I wanted to inform you that I will not be returning to substitute teaching at all this school year. I had hoped that I would be feeling better second semester and that I could return to work. However, medically I am still not strong enough to take on a day of substitute teaching. I enjoyed my work in the past at Richmond Heights Elementary School. Thank you for giving me the opportunity to work for such a fine school system.

Sincerely,
Deborah A. Mantz
