Dear Parents,

Wolf Branch School District is eligible for federal funding for public schools through Public Law 874 Impact Aid. Public schools, such as Wolf Branch, have very little access to federal funds. This is our opportunity to bring some of our tax dollars back to our school.

We receive P.L. 874 funds for all active military personnel and civilians who work on federal property. It is important that **all parents** who have children in the district complete the survey. We will evaluate each form against the 874 guidelines.

We need your assistance to maximize the educational dollars coming into our school. It is **very** important that you complete the survey form attached to this letter and **return it to school by Friday, January 21, 2022**. For your convenience we've enclosed a self stamp address envelope. The survey date is December 3, 2021.

Thanks for your time and assistance.

Mr. Scott Harres, Superintendent
