Good evening Katahdin Families. I'm calling with the weekly district announcements.

Katahdin Schools students and staff enjoyed the first week of Ski for Life on Friday. Please remember that we need to know who will be participating each Friday by Tuesday of that week.

KES students enjoyed a week of school spirit last week during our Welcome Back Winter Carnival! Photos can be found on our school website and social media accounts.

Thank you to our school community for being helpful and vigilant in determining the person or persons responsible for the threats made to one of our school staff on Friday. Your support in keeping our school safe is appreciated.

As the Omicron Variant sweeps across Maine positive Covid cases have risen rapidly. Please stay home from school and community events if you are experiencing any symptoms. Winter months also produce high numbers of Influenza and RSV cases which we are seeing in our area as well.

Please keep sick children at home to protect our school and community. A link to the Pre-Screening Tool for School Attendance will be on the website and in the email of this message.

As we begin this new year please take a few moments to review the progress we have made on our strategic plan since July of 2018. This progress is a true testament to the amazing staff and students we have at Katahdin Schools. This has been and continues to be a team effort. A link to the progress year-by-year will be on the website and in the email of this message.

Thank you for taking the time to listen to this message and enjoy your evening.
