

VOTE FOR ARLEE SCHOOLS

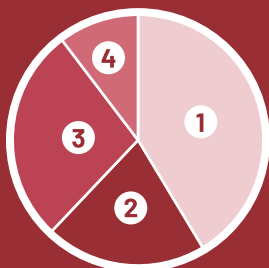

YOUR VOTE WILL:

Learn more about the bond and how it affects you at: arleeschools.org

- BUILD A NEW 3-6 LEARNING ENVIRONMENT**
 - Create a new 3-6 wing that connects to the current K-2 classrooms creating one cohesive Elementary building.
 - Create new entrance with enhanced control and connection to admin spaces.
- ENHANCE PARKING, DROP-OFF, BUS LOOP & SAFETY**
 - New parent and bus loops added to enhance flow during drop-off and pick-up.
 - Relocation of bus loop centralizes location for Elementary and Middle School removing conflicts with High School parking areas.
- CREATE SITE CONNECTION AND ENHANCE FLOW**
 - New parking serves as event parking for football field and main gym via new access pathways.
 - New access pathways connects all parking to buildings and each building together.

PROJECT FUNDING Project funding is made up of four sources.

PROJECT COST
\$14,500,000
