January 9, 2022

Dear Lockland Families:

We are experiencing extremely high levels of staff absence due to illness, quarantine and awaiting test results with symptoms in our elementary, middle and high school staffs at this time.

Based on the inability to cover all classrooms with staff in each school, we will be shifting to REMOTE LEARNING for Monday (1/10/2022) and Tuesday (1/11/2022) of this week in grades K-12. We will re-evaluate on Tuesday afternoon to make a determination for the remainder of the week. Please know that this is NOT what we want and we will get students back into the buildings as soon as we are able to do so with adequate staffing.

Students will be able to access their assignments and activities for class via their Google Classrooms and for those that are unable to connect for any reason, you will be able to make up the work when we return on-site. If you have issues connecting, please do not worry or panic. We will work everything out - we all have enough to stress about in life and this should not add to your burden if it presents a problem.

All healthy staff will be monitoring their email and the Google Classroom for questions throughout each day.

For families in need of a device for their students, we will facilitate a pick up / check out of a loaner device at door 13 on the playground from 9-1pm and again from 5-7pm tomorrow.

As always, thank you for your patience, support and flexibility.

Sincerely,

Bob Longworth  
Superintendent  
Lockland Local School District

Proudly Serving the Communities of Lockland and Arlington Heights
