

Parent/Student Portal Log in and/or Create Account

You will need both the Student & Parent Usernames & Passwords--This information can be supplied by your child's school.

Student Log in (views just that one student's information)

1. Go to [//portal.bixby.org/public](https://portal.bixby.org/public)
2. Click on the **Sign In** Tab
3. Enter Student User Name & Password--now **CASE Sensitive**
4. You can view grades, attendance, assignments, schedule, etc. for that one student.

If everything was entered correctly you will get a message that says your account has been created. If not, you will see a message about what didn't match. If that happens, you have to go back through the steps again until everything you enter matches what is in PowerSchool.

You may get a message about a verification email. You won't get that. Page 2
Use the parent tech support form at <https://docs.google.com/forms/d/e/1FAIpQLSeReUoxFvzulqok5uUAso7Nvw0D8gB3mxfCJxmUdIAhi01tWg/viewform>

If you cannot get it to work, call your child's school's Front Office for assistance.

To access the Parent Account once it is created:

1. Go to //portal.bixbyps.org/public
2. Click on the Sign In tab
3. Enter the Username & Password you set up when you created your account.

APP for mobile devices:

Some info is in the left menu of the parent portal below the account preferences—District code is SPHQ

The App looks like the images below:

Students can log in to just his or her individual account with the student username & password. Parents have to log in with either the student account for a specific student or with the username & password they created for the Parent Account.
