The Oregon School Employees Association Chapter #46 would like to express our appreciation to the Oakridge School District Board of Directors, and the commitment they have made to our District.

These elected officials play a crucial role with regard to our schools, staff and students. They are citizens from our community and may be your neighbor, your coworker, or even a family member. The responsibilities tasked to our Board are not taken lightly. They develop policies and make decisions regarding education and social issues that may ultimately impact the entire community, not just our Schools.

Although their decisions are not always popular with the masses, we recognize and appreciate that they are ultimately doing what is best for our students, staff, and schools.

On behalf of the Oakridge School District Classified Staff, I would like to thank you for your service and dedication to Oakridge Jr/Sr High School, Oakridge Elementary School, Westridge Early Education Programs, the OAK program, and the Family Resource Center.
