

Argenta-Oreana

Distinguished Member Hall of Fame

Argenta-Oreana graduates are eligible for nomination to the **Distinguished Alumni Hall of Fame** 10 years after they graduate. Those who have made significant contributions to their particular fields of endeavor and who are active in their community may be nominated for this award. Nominations will be evaluated based on:

- a) the graduate's life achievements, and
- b) their reflection of the values learned at Argenta-Oreana and the role it has played in their life.

Faculty, staff, and community members who have made significant contributions to Argenta-Oreana School District, or have been outstanding role models in their profession, are eligible in this category. The committee will look for individuals that have outstanding achievement following graduation from Argenta-Oreana High School, with an emphasis on service, accomplishments, and dedication to education, youth and community. These individuals have had a positive impact on the society through their experiences.

A great deal of time and effort is taken in gathering background information and support information of those potential Hall of Fame inductees prior to any decision being made. Family, friends, newspapers and media are consulted prior to the decision being made.
