The Argenta-Oreana Booster Club is a group of parents, friends and alumni working together with the athletic department to provide moral and financial support to the Argenta-Oreana High School and Middle School athletic programs. The overall objective is to create individual, group and community pride...and through this pride...a spirit of unity.

Booster Club funds are raised through sports program ads, Bomber spirit wear, Chili and other dinner events, and other fundraising efforts throughout the year. Each year we allocate a significant amount of money in support of A-O athletic program requests. Most recently, these requests included a scoreboard for the baseball field, track & field improvements, warm-up uniforms for the dance team, and the move and upgrade of the football concession stand.

Please support A-O programs and show your Bomber Pride! Become a Booster Club Member!
