

CRESTVIEW EDUCATIONAL FOUNDATION

"REMEMBERING OUR PAST · SUPPORTING OUR FUTURE"

Welcome back Administrators, Teachers, and Staff Members of the Crestview Schools!

As President of the **CRESTVIEW EDUCATIONAL FOUNDATION** Board of Trustees, I am pleased to be back for a ninth year to speak about our organization. Last year, the Foundation was able to give out **eleven-- \$500-\$1500 scholarships** to graduating seniors. Additionally, we provided **three teacher grants of \$300 each** to help fund projects in the classroom. That makes a total of **\$11,900** given to the students and teachers last year, **and a grand total of over \$75,000** since we began the CEF.

We could not have achieved our goals without your help. As always, the numerous individuals who committed to the payroll deduction program last year, as well as individual donors, made it possible to continue awarding the scholarships and grants. We would like to continue to expand the amount of scholarship and grant dollars we award.

Please consider donating again this year. With a small amount of \$5, \$10, or \$25 a pay or more, or any lump sum, your gift will help us realize the common goal, improving academic achievement in our schools. No gift is too small. Your gift will help all of us realize the goal of giving back to the school that we all love. We will also be continuing to ask our community to pitch in: neighbors, friends, past graduates as well as businesses. The Crestview Educational Foundation continues to be OUR foundation and benefits all of us by assisting our teachers, by helping students in the classrooms and by providing scholarships to graduates wishing to further their education. All of the money collected will go to the **Crestview Educational Foundation** only! We are a duly organized Non-Profit Corporation, 501(c)(3) tax exempt organization. **All donations made by you are tax deductible!**

Please consider a payroll deduction. Just detach the form below, fill it out and return it to our Treasurer to start the process.

Thank you!

Sincerely,

Mary Stimpert, President Crestview Educational Foundation
