

LANCASTER COUNTY PUBLIC SCHOOLS

Our Vision

Lancaster County Public Schools will be a family of students, parents, citizens and educators working together to cultivate pride and empower students to reach their full potential. We will maintain high expectations that lead to academic and social success while recognizing and meeting the unique needs of each individual. We will be recognized as a model of a distinguished school division.

Our Mission

The mission of Lancaster County Public Schools is to ensure social, emotional, and academic learning that prepares individuals for the challenges of tomorrow. We will actively encourage and invite parent and community participation by creating a positive culture of collaboration and trust. We will employ research-based instruction that results in 21st century learning.

Our Goals

Continually improve student achievement

- LCPS students leaving 3rd grade will read on or above grade level.
- LCPS will implement a universal math screener for K-12.
- LCPS will examine advanced studies programs K-12 to determine if they are meeting the student's needs.

Promote and maintain positive, productive relationships throughout the schools and community

- LCPS will recognize all who contribute to our student's education.
- LCPS will continue to develop and enhance all relationships.
- LCPS will communicate effectively and efficiently with school families and community members.
- LCPS will be responsible stewards of taxpayer's funds.

Attract (recruit), develop, and retain quality staff

- LCPS will use various avenues to recruit high quality teachers and staff.
- LCPS will professionally develop and train staff to enhance skills.
- LCPS will encourage staff to further their education by providing opportunities to do so.

Consistently and Effectively Integrate and Maintain Learning and Management Technology

- Teachers & Staff will proficiently utilize technology at LCPS to be productive and efficient in job duties.
- LCPS will provide 21st century learning opportunities through the Librarian/ Media Specialist in each school.
- LCPS will provide professional development that increases the capacity of teachers to provide meaningful learning experiences.
- LCPS will increase internet safety for teachers, students, and staff through education.
- Division and school websites will be accurate and up-to-date and reflect the LCPS vision
- LCPS will continue to update the Educational Technology Plan for Lancaster Public Schools to reflect current objectives, goals, and strategies

Provide safe and secure schools that meet the needs of the 21st century and are a source of community pride

- LCPS will ensure that LCPS facilities are safe, secure and functional for current and future programming needs.
