Eligibility

Students age 3 to 21 years shall be eligible for the district's migrant education program if they, their parents/guardians, or their spouses are migratory agricultural workers or fishers who, in the preceding 36 months, moved into the district due to economic necessity and engaged in new temporary or seasonal employment or personal subsistence in agriculture or fishing. If such employment was not secured soon after the move, students may be considered migrant students if they, their parents/guardians, or their spouses actively sought such new employment and have a recent history of moves for temporary or seasonal agricultural or fishing employment. (20 USC 6399; 34 CFR 200.81)

A student who ceases to be a migrant student during a school term shall be eligible for services until the end of the term. If comparable services are not available through other programs, a student who is no longer migratory may continue to receive services for one additional school year. Students who were eligible for services in secondary school may continue to be served through credit accrual programs until graduation. (20 USC 6394)

Student Records

The Superintendent or designee shall maintain records documenting the eligibility of students enrolled in the district's migrant education program. When approved by the Superintendent of Public Instruction, the district may jointly offer facilities with a neighboring district to meet the needs of the migrant summer school program for the entire area. (Education Code 54444.3)

Applicability of Graduation Requirements

To obtain a high school diploma, migrant students shall complete all courses required by Education Code 51225.3 and shall generally fulfill any additional graduation requirements prescribed by the Board.

(cf. 6146.1 - High School Graduation Requirements)

However, when a migrant student who has completed the second year of high school transfers into the district or transfers between high schools within the district, the student shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of the fourth year of high school. Within 30 calendar days of the transfer, the Superintendent or designee shall notify the student and the student's parent/guardian of the availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student no longer meets the definition of a migrant student. (Education Code 51225.1)

(cf. 5145.6 - Parental Notifications)

To determine whether a migrant student is in the third or fourth year of high school, the district shall use either the number of credits the student has earned as of the date of the transfer or the length of school enrollment, whichever qualifies the student for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any migrant student who is granted an exemption and the student's parent/guardian how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)
MIGRANT EDUCATION PROGRAM (continued)

The district shall not require or request a migrant student to transfer schools in order to qualify for an exemption, and no request for a transfer solely to qualify for an exemption shall be made by a migrant student or parent/guardian. (Education Code 51225.1)

If a migrant student is exempted from local graduation requirements, the exemption shall continue to apply after the student no longer meets the definition of a migrant student if the student is still enrolled in school or transfers to another school or district. (Education Code 51225.1)

Upon making a finding that a migrant student is reasonably able to complete district graduation requirements within a fifth year of high school, the Superintendent or designee shall: (Education Code 51225.1)

1. Inform the student and parent/guardian of the student's option to remain in school for a fifth year to complete the district's graduation requirements and how that will affect the student's ability to gain admission to a postsecondary educational institution

2. Provide information to the student about transfer opportunities available through the California Community Colleges

3. Upon agreement with the student or parent/guardian, permit the student to stay in school for a fifth year to complete the district's graduation requirements

Parent Advisory Council

The parent advisory council shall be comprised of members who are knowledgeable of the needs of migrant students and shall be elected by the parents/guardians of students enrolled in the district's migrant education program. The composition of the council shall be determined by the parents/guardians at a general meeting to which all parents/guardians of participating students shall be invited. The parents/guardians shall be informed, in a language they understand, that they have the sole authority to decide on the composition of the council. (Education Code 54444.2)

At least two-thirds of the advisory council shall consist of parents/guardians of migrant students. (Education Code 54444.2)

All parent/guardian candidates for the council shall be nominated by parents/guardians. Nonparent candidates, such as teachers, administrators, other school personnel, or students, shall be nominated by the groups they represent. All other community candidates shall be nominated by the parents/guardians. (Education Code 54444.2)
MIGRANT EDUCATION PROGRAM (continued)

The parent/guardian advisory council shall meet at least six times during the year and shall: (Education Code 54444.4)

1. Establish program goals, objectives, and priorities

2. Review annual needs assessments, program activities for each school, and individual learning plans

3. Advise on the selection, development, and reassignment of migrant education program staff

4. Participate actively in planning and negotiating program applications and service agreements

5. Perform all other responsibilities required under state and federal laws or regulations

The Superintendent or designee shall establish and implement a training program for advisory council members to enable them to carry out their responsibilities. The training program shall be developed in consultation with the council and shall include appropriate training materials in a language understandable to each member. (Education Code 54444.2)

The Superintendent or designee shall provide the council, without charge, a copy of all applicable state and federal migrant education statutes, rules, regulations, guidelines, audits, monitoring reports, and evaluations. Upon request, these materials also shall be provided without charge to each member of the council. (Education Code 54444.2)

Notification and Complaints

Information regarding the educational rights of migrant students, as specified in Education Code 51225.1 and 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.1, 51225.2)

Any complaint that the district has not complied with requirements regarding the education of migrant students, as specified in Education Code 51225.1 or 51225.2, may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures.

The district shall be responsible for providing individual instruction to any temporarily disabled student who is in a hospital or other residential health facility located within district boundaries, whether or not the student is enrolled in the district. (Education Code 48208)

(cf. 5111.1 - District Residency)

Whenever the district provides individual instruction to a non-district student who is in a hospital or other residential health facility located within district boundaries, the Superintendent or designee shall, within five working days of the beginning of the individual instruction, provide written notification to the student's district of residence that, effective on the date on which individual instruction began, the district of residence may not count the student for purposes of computing that district's average daily attendance. (Education Code 48208)

A student receiving individual instruction in a hospital or residential health facility for a partial week shall be entitled to attend school or receive individual instruction at home on days in which the student is not receiving individual instruction in the hospital or other residential health facility, if the student is well enough to do so. Agenda Content

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning.

(c.f. 0000 - Vision)
(c.f. 0200 - Goals for the School District)

Each agenda shall state the meeting time and place and shall briefly describe each business item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

(c.f. 9320 - Meetings and Notices)
(c.f. 9321 - Closed Session Purposes and Agendas)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. However, the agenda need not provide an opportunity for public comment when the agenda item has previously been considered at an open meeting of a committee comprised exclusively of Board members, provided that members of the public were afforded an opportunity to comment on the item at that meeting and that the item has not been substantially changed since the committee considered it. (Government Code 54954.3)

The agenda for a regular Board meeting shall also provide members of the public an opportunity to provide comment on matters which are not on the agenda but which are within the subject matter jurisdiction of the Board. (Education Code 35145.5; Government Code 54954.3)

(c.f. 9323 - Meeting Conduct)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item that have been distributed to the Board less than 72 hours before the meeting. (Government Code 54957.5)

The agenda shall include information regarding how, when, and to whom a request should be made if an individual requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting. (Government Code 54954.2)

Agenda Preparation

The Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each regular and special meeting.

(c.f. 9121 - President)
(c.f. 9122 - Secretary)
AGENDA/MEETING MATERIALS (continued)

Any Board member or member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information, if any, at least one week before the scheduled meeting date. Items submitted less than a week before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue.

The Board president and Superintendent shall decide whether a request from a member of the public is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing the item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation.

If the Board president and Superintendent deny a request from a Board member to place an item on the agenda, the Board member may request the Board to take action to determine whether the item shall be placed on the agenda.

The Board president and Superintendent shall also decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote or an information item that does not require immediate action.

In order to promote efficient meetings, the Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda. Consent items shall be items of a routine nature and items for which Board discussion is not anticipated and for which the Superintendent recommends approval. When any Board member requests the removal of an item from the consent agenda, the item shall be removed and given individual consideration for action as a regular agenda item.

The agenda shall provide an opportunity for members of the public to comment on any consent agenda item that has not been previously considered. (Government Code 54954.3)

Any Board action that involves borrowing $100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code 53635.7)

All public communications with the Board are subject to requirements of relevant Board policies and administrative regulations.

(cf. 3320 - Claims and Actions Against the District)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Agenda Dissemination to Board Members

At least 72 hours before each regular meeting, each Board member shall be provided a copy of the agenda and agenda packet, including the Superintendent or designee's report; minutes to be approved; copies of communications; reports from committees, staff, and others; and other available documents pertinent to the meeting.

When special meetings are called, Board members shall receive, at least 24 hours prior to the meeting, notice of the business to be transacted. (Government Code 54956)

Board members shall review agenda materials before each meeting. Individual members may confer directly with the Superintendent or designee to ask questions and/or request additional information on agenda items. The posted agenda shall be accessible through a prominent direct link to the current agenda or to the district's agenda management platform in accordance with Government Code 54954.2. When the district utilizes an integrated agenda management platform, the link to that platform shall take the user directly to the web site with the district's agendas, and the current agenda shall be the first available.
