LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. A comprehensive, data-driven planning process shall be used to identify annual goals and specific actions which are aligned with the district budget and facilitate continuous improvement of district practices.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)
(cf. 0415 - Equity)

The Board shall adopt a districtwide local control and accountability plan (LCAP), based on the template adopted by the State Board of Education (SBE), that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and two subsequent fiscal years. (Education Code 52060, 52064; 5 CCR 15494-15497)

(cf. 3100 - Budget)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" or are part of any numerically significant student subgroup that is at risk of or is underperforming.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth, as defined in Education Code 42238.01 for purposes of the local control funding formula (LCFF). (Education Code 42238.02)

(cf. 6173.1 - Education for Foster Youth)
(cf. 6174 - Education for English Learners)

(cf. 0420 - School Plans/Site Councils)
LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

The LCAP shall also be aligned with other district and school plans to the extent possible in order to minimize duplication of effort and provide clear direction for program implementation.

(cf. 0400 - Comprehensive Plans)
(cf. 0440 - District Technology Plan)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 5030 - Student Wellness)
(cf. 6171 - Title I Programs)
(cf. 7110 - Facilities Master Plan)

As part of the LCAP adoption and annual update to the LCAP, the Board shall separately adopt an LCFP budget overview for parents/guardians, based on the template developed by the SBE, which includes specified information relating to the district's budget. The budget overview shall be adopted, reviewed, and approved in the same manner as the LCAP and the annual update. (Education Code 52064.1)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. Consultation with students shall enable unduplicated students and other numerically significant student subgroups to review and comment on LCAP development and may include surveys of students, student forums, student advisory committees, and/or meetings with student government bodies or other groups representing students. (Education Code 52060; 5 CCR 15495)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee composed of a majority of parents/guardians of English learners to review and comment on the LCAP. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. (Education Code 305-306)

The Superintendent or designee shall consult with the administrator(s) of the special education local plan area of which the district is a member to ensure that specific actions for students with disabilities are included in the LCAP and are consistent with strategies included in the annual assurances support plan for the education of students with disabilities. (cf. 0430 - Comprehensive Local Plan for Special Education)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed

(Education Code 42127, 52062)

(cf. 9320 - Meetings and Notices)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public
meeting. This meeting shall be held after the public hearing described above, but not on the
same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan
is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education
Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the district budget, and the budget
overview for parents/guardians, the Board shall file the LCAP, the budget, and the budget
overview with the County Superintendent of Schools. (Education Code 42127, 52064.1,
52070)

If the County Superintendent sends, by August 15, a written request for clarification of the
contents of the LCAP, the Board shall respond in writing within 15 days of the request. If
the County Superintendent then submits recommendations for amendments to the LCAP
within 15 days of receiving the Board’s response, the Board shall consider those
recommendations in a public meeting within 15 days of receiving the recommendations.
(Education Code 52070)

If the County Superintendent does not approve the district's LCAP, the Board shall accept
technical assistance from the County Superintendent focused on revising the plan so that it
can be approved. (Education Code 52071)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with
the timeline and indicators established by the Superintendent and the Board, regarding the
district’s progress toward attaining each goal identified in the LCAP. Evaluation shall
include, but not be limited to, an assessment of district and school performance reported on
the California School Dashboard. Evaluation data shall be used to recommend any necessary
revisions to the LCAP.

TRANSPORTATION SAFETY AND EMERGENCIES

Cautionary Notice: Government Code 17581.5 relieves districts from the obligation to perform specified mandated activities when the Budget Act does not provide reimbursement during that fiscal year. The Budget Act of 2018 (SB 840, Ch. 29, Statutes of 2018) extends the suspension of these requirements through the 2018-19 fiscal year. As a result, certain provisions of the following administrative regulation related to transportation safety plans and safety instruction for students may be suspended.

Each day, prior to driving a school bus, each school bus driver shall inspect the bus to ensure that it is in safe operating condition and equipped as required by law and that all equipment is in good working order. At the completion of each day's work, the driver shall prepare and sign a written report of the condition of the equipment specified in 13 CCR 1215. The report shall indicate any defect or deficiency discovered by or reported to the driver which would affect safe operation or result in mechanical breakdown of the bus. If no defect or deficiency is discovered or reported, the driver shall so indicate on the report. Any defect or deficiency that would affect safe operation shall be repaired prior to operating the bus. (13 CCR 1215)

(cf. 3540 - Transportation)
(cf. 3541.1 - Transportation for School-Related Trips)
(cf. 3542 - School Bus Drivers)

Passenger Restraint Systems

The Superintendent or designee shall ensure that any school bus or student activity bus which is purchased or leased by the district is equipped with a combination pelvic and upper torso passenger restraint system at all designated seating positions if that bus: (Vehicle Code 27316, 27316.5; 13 CCR 1201)

1. Is a Type 1 school bus designed for carrying more than 16 passengers and the driver, and was manufactured on or after July 1, 2005

2. Is a Type 2 school bus or student activity bus designed for carrying 16 or fewer passengers and the driver, or for carrying 20 or fewer passengers and the driver if the bus has a manufacturer's vehicle weight rating of 10,000 pounds or less, and was manufactured on or after July 1, 2004

The Superintendent or designee shall prioritize the allocation of school buses purchased, leased, or contracted to ensure that elementary students receive first priority for new school buses equipped with passenger restraint systems whenever feasible.

When a school bus or student activity bus is equipped with a passenger restraint system, all passengers shall use the passenger restraint system. (5 CCR 14105)

Bus drivers shall be instructed regarding procedures to enforce the proper use of the passenger restraint system. Students who fail to follow instructions of the bus driver may be subject to discipline, including suspension of riding privileges, in accordance with Board policy and administrative regulations.

All fire extinguishers shall be regularly inspected and serviced in accordance with regulations adopted by the State Fire Marshal. (Education Code 39838; 13 CCR 1242; 19 CCR 574-575.3)

Child Safety Alert System

In accordance with Vehicle Code 28160, each school bus or student activity bus shall be equipped with an operational child safety alert system at the interior rear of the bus that requires the driver to either manually contact or scan the device, thereby prompting the driver to inspect the entirety of the interior of the vehicle before exiting.

A student activity bus that does not have a child safety alert system may be used only if all of the following apply: (Vehicle Code 28160)

1. The student activity bus is not used exclusively to transport students.

2. When the student activity bus is used to transport students, the students are accompanied by at least one adult chaperone selected by a school official. If an adult chaperone is not a school employee, the chaperone shall meet the requirements for a school volunteer.

(cf. 1240 - Volunteer Assistance)

3. One adult chaperone has a list of every student and adult chaperone, including a school employee, who is on the student activity bus at the time of departure.

4. The driver has reviewed all safety and emergency procedures before the initial departure, and the driver and adult chaperone have signed a form, with the time and date, acknowledging that the safety plan and procedures were reviewed.

5. Immediately before departure from any location, the adult chaperone shall account for each student on the list of students, verify the number of students to the driver, and sign a form indicating that all students are present or accounted for.
TRANSPORTATION SAFETY AND EMERGENCIES (continued)

6. After students have exited a student activity bus, and before driving away, the driver shall check all areas of the bus, including, but not limited to, overhead compartments and bathrooms, to ensure that the bus is vacant.

7. The driver shall sign a form with the time and date verifying that all required procedures have been followed.

A bus driver is prohibited from driving a school bus or student activity bus while using a wireless telephone or other electronic wireless communications device except for work-related or emergency purposes, including, but not limited to, contacting a law enforcement agency, health care provider, fire department, or other emergency service agency or entity. In any such permitted situation, the driver shall only use a wireless telephone or device that is specifically designed and configured to allow voice-operated and hands-free operation or a function that requires only a single swipe or tap of the driver's finger provided the device is mounted on the windshield, dashboard, or center console of the bus. (Vehicle Code 23123.5, 23125)

Safe Bus Operations

School buses and student activity buses shall not be operated whenever the number of passengers exceeds bus seating capacity, except when necessary in emergency situations which require that individuals be transported immediately to ensure their safety. (Education Code 39834)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

School bus operations shall be limited when atmospheric conditions reduce visibility on the roadway to 200 feet or less during regular home-to-school transportation service. Bus drivers for school activity trips may discontinue bus operation whenever they determine that it is unsafe to continue operation because of reduced visibility. (Vehicle Code 34501.6)

Unauthorized Entry

The Superintendent or designee may place a notice at bus entrances that warns against unauthorized entry. The driver or another school official may order any person to disembark if that person enters a bus without prior authorization. (Education Code 39842; 13 CCR 1256.5)
TRANSPORTATION SAFETY AND EMERGENCIES (continued)

USE OF SECLUSION AND RESTRAINT

District staff shall enforce standards of appropriate student conduct in order to provide a safe and secure environment for students and staff on campus, but are prohibited from using seclusion and behavioral restraint to control student behavior except to the limited extent authorized by law.

(cf. 5131 - Conduct)
(cf. 5131.1 - Bus Conduct)
(cf. 6159.4 - Behavioral Interventions for Special Education Students)

Definitions

Behavioral restraint includes mechanical restraint or physical restraint used as an intervention when a student presents an immediate danger to self or to others. Behavioral restraint does not include postural restraints or devices used to improve a student's mobility and independent functioning rather than to restrict movement. (Education Code 49005.1)

Mechanical restraint means the use of a device or equipment to restrict a student's freedom of movement. Mechanical restraint does not include the use of devices as prescribed by an appropriate medical or related services professional, including, but not limited to, adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment; vehicle safety restraints during the transport of a student; restraints for medical immobilization; or orthopedically prescribed devices which permit a student to participate in activities without risk of harm. Mechanical restraint also does not include the use of devices by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

(cf. 3515.3 - District Police/Safety Department)

Physical restraint means a personal restriction that immobilizes or reduces the ability of a student to move the torso, arms, legs, or head freely. Physical restraint does not include a physical escort in which a staff member temporarily touches or holds the student's hand, wrist, arm, shoulder, or back for the purpose of inducing a student who is acting out to walk to a safe location. Physical restraint also does not include the use of force by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

Prone restraint means the application of a behavioral restraint on a student in a facedown position. (Education Code 49005.1)

Seclusion means the involuntary confinement of a student alone in a room or an area from which the student is physically prevented from leaving. Seclusion does not include a timeout involving the monitored separation of the student in an unlocked setting, which is implemented for the purpose of calming the student. (Education Code 49005.1)
USE OF SECLUSION AND RESTRAINT (continued)

Prohibitions

Seclusion and behavioral restraint of students shall not be used in any form as a means of coercion, discipline, convenience, or retaliation. (Education Code 49005.8)

(cf. 5144 - Discipline)

In addition, staff shall not take any of the following actions: (Education Code 49005.2, 49005.8)

1. Administer a drug that is not a standard treatment for a student's medical or psychiatric condition in order to control the student's behavior or restrict the student's freedom of movement

2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use as a locked room

3. Use a physical restraint technique that obstructs a student's respiratory airway or impairs a student's breathing or respiratory capacity, including a technique in which a staff member places pressure on the student's back or places his/her body weight against the student's torso or back

4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, the use of a pillow, blanket, carpet, mat, or other item to cover a student's face

5. Place a student in a facedown position with the student's hands held or restrained behind the student's back

6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the student or others

Limited Use of Seclusion or Restraint

Staff shall avoid the use of seclusion and behavioral restraint of students whenever possible. Seclusion or behavioral restraint may be used only to control student behavior that poses a clear and present danger of serious physical harm to the student or others, which cannot be prevented by a response that is less restrictive. (Education Code 49005.4, 49005.6, 49005.8)

(cf. 5131.4 - Student Disturbances)
(cf. 5131.7 - Weapons and Dangerous Instruments)

If a student is put in seclusion, the student shall be under constant, direct observation of a staff member. Such observation may be through a window or another barrier through which
USE OF SECLUSION AND RESTRAINT (continued)

the staff member is able to make direct eye contact with the student, but shall not be made through indirect means such as a security camera or closed-circuit television. (Education Code 49005.8)

If a student is restrained, staff shall afford the student the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the student and others. (Education Code 49005.8)

If a prone restraint technique is used on a student, a staff member shall observe the student for any signs of physical distress throughout the use of the restraint. Whenever possible, the staff member monitoring the student shall not be involved in restraining the student. (Education Code 49005.8)

Reports

The Superintendent or designee shall annually collect data on the number of times that seclusion, mechanical restraint, and physical restraint were used on students and the number of students subjected to such techniques. The data shall be disaggregated by race/ethnicity and gender, and reported for students with a Section 504 plan, students with an individualized education program, and all other students. This report shall be submitted to the California Department of Education no later than three months after the end of each school year, and shall be available as a public record pursuant to Government Code 6250-6270.
