

## **Annual Notification**

### **Referral for Highly Capable Program**

Referrals for testing for participation in the Ridgefield School District's Highly Capable Program for the 2021-22 school year are currently being accepted. Anyone may refer a student including parents, teachers, other students, and members of the community. Highly Capable Program services are designed to address the needs of highly capable students in grades K-12. Your school has copies of the "K-12 Highly Capable Program Overview" explaining the program goals, identification process, service model and the schedule for testing. Referral forms are available online at [RSD Highly Capable Program webpage](#).

Click on [Referral Form](#) to download this form.

Students in grades 1 through 7 will be tested in March/April for possible placement in the upcoming school year. Kindergarten students will be tested in April. Once your student has been scheduled, the date will not be rescheduled except for a true family emergency or illness. **Referrals must be returned no later than February 4, 2022. You may email the referral form to [highlycapable@ridgefieldsd.org](mailto:highlycapable@ridgefieldsd.org) or mail to:**
