# 2020-21

# *Strategic Plan*

## Goal Area 1

### *Safe, supportive and strong school environment*

- ⇒ Develop a positive school climate focusing on strong relationships between and among students and staff.
- ⇒ Highly trained staff who are flexible and able to provide instruction and support for many different student interest areas.
- ⇒ Support for co-curricular and extra-curricular programs which help provide additional life-long skills for students.
- ⇒ Respect and remember the successful histories of the SJE communities while building toward an exciting future.
- ⇒ Implement ongoing planning, staff training and review regarding school safety.

## Mission

Two communities, working as one, with the common goal of preparing students for life after high school and for realizing their full potential.

## Goals Area 2

### *High quality educational programs to meet the needs of all students*

- ⇒ Provide educational programs which prepare students for their goals and dreams ... work, military, technical school, two-year or four-year college.
- ⇒ Utilize quality curriculum which aligns K-12 to enhance seamless transition between grade levels and schools.
- ⇒ Continue professional development for all staff to promote student growth and student achievement.

## Goal Area 3

### *Family and community connections*

- ⇒ Sustain, strengthen and invite transparent communication between the district and a variety of community partners.
- ⇒ Expand partnerships with community members to improve learning and mentor opportunities for students, while bettering the community as a whole.
- ⇒ Enhance communication with parents and community to encourage and promote our schools and programs.
