CEP Announcement

I am excited to inform you that Desoto Grade School will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP). The district has received CEP approval through June 30, 2027.

What does this mean for your Desoto Ranger?

Great news for ALL Desoto Rangers! All enrolled students are eligible to receive a healthy breakfast and lunch at school at NO charge to your household each day beginning in the 2023-2024 school year. Our application has received approval for four years! No further action is required of you. Your child will be able to participate in these meal programs without having to pay a fee or submit an application.

If we can be of any further assistance, please contact us at Desoto Grade School. Let's finish this year strong!!!

Yours in Education,

Dr. Steve Mayerhofer
DGS, Superintendent
