

OFFICE OF THE SUPERINTENDENT

COUNTY ADVISORY LEVEL
“RED”
IMPACT AND PROTOCOLS FOR SVCS

Effective Wednesday, January 12, 2022

Safety and Health Protocols have been revised to the following:

- Mask Guidance:** Required at school during the school day and at all after-school functions, including athletic events, and at all times while on school bus.
- Social Distance:** Required, as much as possible during the school day and at all after-school functions, including athletic events.
- Extracurricular/Co-Curricular Activities:** All K-12 extracurricular and co-curricular activities may continue with the following precautions.
 - I.** Attendance is limited to participants, coaches, supervisors, support personnel, parents/guardians plus their minor children and limited number of students.
 - II.** Face masks are required.
 - III.** Social distancing is required (families to sit in pods).
 - IV.** Student section limited with face masks and social distancing required.
- Field Trips:** All field trips are temporarily suspended.
- Visitors:** Visitors to schools are limited to “essential” individuals approved by the school administration.
All outside and/or 3rd party activities are temporarily suspended.
- Prof. Dev:** To Be Determined based on availability of substitute teachers.
