

2022-23 Pre-Kindergarten Lottery Registration Application Information

Lottery registration for the Bryan County School District's Georgia Lottery Pre-K Classes program begins Monday, February 28, 2022 and will end on Friday, March 18, 2022 at 11:59pm.

All registration applications will be submitted online via the registration link found on the BCS website (available on February 28th).

A child registering for Pre-K must be four years old on or before September 1, 2022.

Registration Submittals Due by March 18, 2022

To be considered for the 2022-23 SY Pre-K Lottery, all registration applications must be submitted by 11:59 p.m. on Friday, March 18, 2022. Any applications received after Friday, March 18, 2022 at 11:59 p.m. will be placed on the Pre-K Waiting List.

Failure to submit complete and correct information or documents by the deadline will result in the registration being delayed and possibly missing the lottery.

Pre-Kindergarten Lottery:

The Bright from the Start Grant allows a specific number of students per class/per school. A lottery from the list of registered Pre-K applicants will be held for each school during the week of April 11th to determine enrollment for that school. Lotteries will be conducted using random number generator software and the results will be posted on each school's website by Thursday, April 14th.
