Hi everyone,

Here is information from David Elliot about a new testing option (rapid antigen and PCR) that will be starting in Taos this week:

Net Medical will be offering "same day", free (for the client) rapid antigen testing at the Sagebrush Inn Convention Center (Pinon Room) starting on Wednesday, January 12. Sagebrush Inn: 1508 Paseo Del Pueblo Sur, Taos, NM 87571

PLEASE DO NOT CALL THE SAGEBRUSH INN FOR QUESTIONS ON TESTING HOURS OR RESULTS FOR TESTING.

The testing site will be open from 10 AM to 4 PM, Monday through Friday.

Clients can register for a test here: https://nmxs.com/ev4

Net Medical will also be offering "next day" Rapid PCR testing at the same location, M-F, 10 to 4, starting Monday, January 17th.

A few notes:

1. Net Medical will collect ID and insurance information if available from clients for the purpose of billing insurance. Clients will never receive a bill for any Net Medical COVID testing service.

2. Net Medical will not refuse service to anyone while testing supplies last.

3. Test results are emailed to patients either the same day for rapid antigen tests or by the end of the next day for rapid PCR tests.

4. Net medical is hiring testing specialist to work at the Taos location! To apply, email ricky@netmedical.com

5. Volunteers are also being recruited to help with greeting clients and helping with traffic flow and social distancing at the testing site. To volunteer, please email ricky@netmedical.com

6. For questions, please email ricky@netmedical.com . Please DO NOT call the Sagebrush in with testing questions.
