January 13, 2022

Dear North Little Rock School District Community,

Thank you for your cooperation as we have had to make adjustments in light of COVID-19. Our phase-in implementation plan has been going well thus far as we continue to meet the individual needs of all students and their families.

We continue to monitor our [COVID-19 Data Dashboard](#), which is updated daily. As another precaution to stop the spread of the virus, we have decided to temporarily place restrictions on the number of spectators and guests that are allowed in our facilities.

Please be mindful of the following restrictions, effective today:

- **The number of spectators who can attend indoor and outdoor venues will be limited to a one-third capacity.** Masks are required for everyone not actively participating, or while eating or drinking. Guests and spectators will use every other row seating and socially distance between individuals or groups.
- **Volunteers for PTA and adult-youth mentoring will be prohibited at this time.** We hope this will not discourage community engagement; however, we want to make sure that we are doing all we can to protect our students and staff. Please contact Ms. Crystal Barker, District Parent and Family Engagement Coordinator, at [barkerc@nlrsd.org](mailto:barkerc@nlrsd.org). Feel free to register to volunteer as we wait on conditions to improve. That way, you can immediately begin to engage with our students and staff, pending a successful background check.
- **Local field trips will be limited and at the discretion of the building principal.**

Finally, we want to continue to communicate our Guidelines for COVID-19 Positive Cases and Quarantines, [which can be read at this link](#).

We hope that these restrictions will be on a short-term basis, and we will be excited to lift restrictions as soon as possible.

Sincerely,

Gregory J. Pilewski, Ed.D.
