Dear Dr. Marsden,

In appreciation of the many clients, we are privileged to service in Medfield, we are pleased to make this donation to the school department. Lueders Environmental is a Lawn, Tree & Shrub care company specializing in science based environmentally sound approaches and attentive customer service.

Contributing to your school department is a way we can give back to the Medfield community for considering us the company of choice. I always hope that in supporting education, other companies will join us. Please use these funds in any way you consider appropriate.

Sincerely,

Michael Lueders

December 20, 2021

Dear Mr. LaFrancesca, Dr. Marsden, and School Committee members,

It was very exciting to bring Blake Theater back to the auditorium this year. Our first show, Disney's The Descendants, was by far the biggest and most involved production we have done in the almost 10 years I've been directing. I am incredibly proud of all the students and am grateful for the opportunity to share the theater experience with them.

The Blake program has received a very generous donation of \$2500 from a supporter who wishes to remain anonymous. I would like to upgrade our microphones, as well as some of our lighting equipment. This money will be earmarked for those upgrades.

The Blake Theater adults - Joe Knaus, Maureen Doctoroff, Nancy McLaughlin and I - continue to work towards keeping our program vibrant, inclusive and successful. We appreciate all the support of our students, families, and administrators.

Wishing you all a safe and healthy holiday season.
