From the Desk of Mr. Roby

Twins Cedars is able to make it easy for your child to get their learner’s permit. Last fall, I was trained by the DOT and am able to give the test on line here at our school. Below is information detailing the program.

Dear parent or guardian,

We have some exciting news!

We’ve partnered with the Iowa Department of Transportation (DOT) to offer Skip the Trip at Twin Cedars School. This program allows students to take the driver knowledge test required to obtain a driver’s instruction permit here at Twin Cedars. This reduces multiple trips to driver’s service centers if your student does not pass on his/her first try.

To be eligible to take the remote knowledge test, your student must be age 14 or older and not currently hold an Iowa instruction permit.

The knowledge test will be administered by an approved school/agency official, and the test results will be emailed to the student and retained in the Iowa DOT’s customer records.

The student will still need to go into a driver’s license service center with their parent or legal guardian to be issued an instruction permit. Once a student has successfully completed the test, they will receive a test receipt email. Bring a copy of the email to the driver’s license service center, along with the other required identity documentation (listed below) the student must have to be issued their instruction permit.

What documents need to be brought to a service center to receive an instruction permit?

(Can also be found at <http://www.iowadot.gov>):

- **Proof of age and identity (U.S. birth certificate, U.S. Passport, or proof of lawful status documentation)**
- **Proof of Iowa residency (Two documents showing the student’s address)**
- **Proof of your social security number (Social Security card)**
- **Parental consent form, if you are under 18 and your parent is unable to come with you to the service center (not required if parent or legal guardian is present)**

It is the policy of the Twin Cedars Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district’s Equity Coordinator, David Roby, High School Principal, 2204 Hwy G-71, Bussey, IA 50044, 641-944-5245, droby@twincedarscsd.org.

To prepare for a successful knowledge test, students should study the Iowa Driver's Manual and online practice test, both available at: <https://iowadot.gov/mvd/driverslicense/manuals-and-practice-tests>
Please direct questions about Skip the Trip to: Dave Roby.
