School Safety

School Safety is of the utmost importance at Twin Cedars. We have installed many security features at both schools including the locking outside doors, yearly training of teachers and staff, as well as, staff attendance at school safety seminars and webinars. One of the newest initiatives to come out of these seminars is a reunification plan. Reunification is when parents need to be reunited with their student after an emergency situation has occurred. This year during registration, there will be a form to fill out regarding who can and cannot pick up your student(s) in the case of an emergency. There will be more information to come regarding the school's safety plan however, this part requires parent/guardian assistance during registration. Please take some time to think about who you would be comfortable with picking up your student in the case of an emergency and bring their contact information with you to registration.
