

## COVID-19 Isolation/Quarantine (updated 1/14/2022)

\* Return to school/work after isolation/quarantine period if no symptoms, or symptoms are resolving and no fever for 24 hours.

### Confirmed Positive (Isolation Regardless of Vaccination Status)

- **Standard**: Stay home for 10 days from onset of symptoms (or test date if no symptoms). Return on Day 11.
- **Shortened**: Stay home for 5 days from onset of symptoms (or test date if no symptoms). Test on Day 5. With a negative test, return any day starting Day 6.

### Exposed (Unvaccinated)

- **Standard**: Stay home for 10 days from last contact with confirmed positive. Return on Day 11.
- **Shortened**: Stay home for 5 days from last contact with confirmed positive. Test on Day 5. With negative test, return any day starting on Day 6.
- ***NOTE: If continuous contact with confirmed positive, quarantine timeline for close contact to exit quarantine starts on the day the confirmed positive exits quarantine. Return Day 11 – 21.***

### Exposed (Vaccinated) or Exposed in the School Setting (for Students only)

- **No required quarantine.** Attend school/work and monitor for symptoms for 10 days. Recommend testing on Days 3, 4, or 5 to confirm negative.
