

UPSHUR COUNTY VIRTUAL SCHOOL

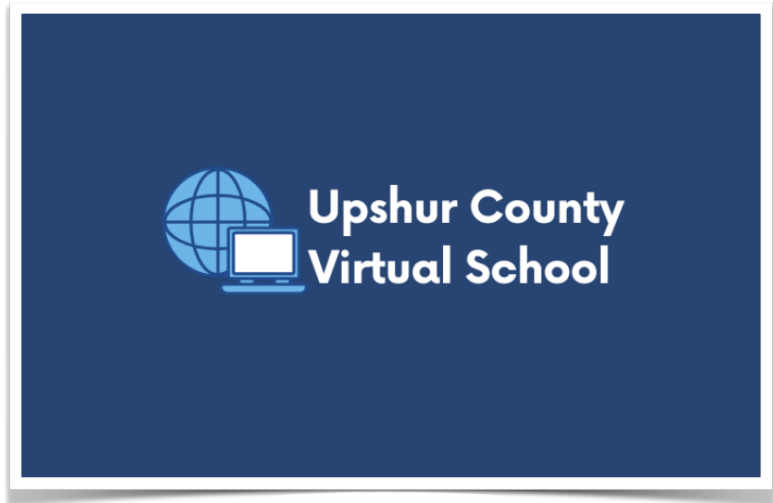

Providing flexible learning options for our families.

Flexible Education

- Learn from home 5 days a week
- Flexible study times
- FREE, research-based curriculum with certified teachers

Support

- 24/7 Academic Support hotline
- 24/7 Tech Support hotline
- Class connect sessions for elementary students to meet with their teachers. Office hours for middle and high school students to meet with their teachers.
- Support for middle school and high school math and English courses.
- Physical materials for classes (books, workbooks, science lab items, music materials, etc.) are provided for many courses.
- Upshur County's Virtual Learning Coordinator, Stacy Marteney, will be available to answer questions, enroll you into courses, and play an advisory role to you.

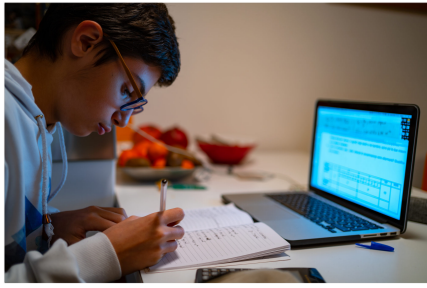

Upshur County's Virtual School

Upshur County Schools will continue to provide a virtual learning experience to students grades K-12. The STRIDE (K12, Inc.) program uses a standards based curriculum and comes with over 20 years of experience in online education, and is free of charge to our families.
