COVID-19 Update

January 14, 2022

Bronco Family,

As we move through this school year, it is our intention and desire to provide students with in-person instruction. We are in frequent contact with the Delaware County Department of Health to receive guidance regarding our COVID positive cases and our method of delivering instruction to our students.

Please continue to be aware of the symptoms of COVID-19 such as a cough, shortness of breath, difficulty breathing, fatigue, headache, sore throat, congestion or runny nose, fever or chills, muscle or body aches, nausea, vomiting or diarrhea, or a new loss of taste or smell. If your child has any of these symptoms, please keep them at home. All students and staff must be 24 hours fever free without medication to return to school.

It is our intention to be transparent regarding the COVID-19 related incidents at Daleville Community Schools.

The table below shows the number of individuals excluded from school due to exhibiting or reporting COVID symptoms, positive cases, and close contacts (exposures). The table is a single day snapshot each week on Friday. **Following the established DCS COVID protocol, the Department of Health (DOH) was contacted this week regarding our COVID numbers. After receiving guidance for the DOH, schools remained open throughout the week.**

Current Active COVID-19 Situations as of January 14, 2022

	Symptomatic	Close Contacts of Symptomatic	COVID Positive	Close Contacts of COVID Positive	Total % Excluded
DES	7	3	21	64	17.6%
DES Staff	0	0	2	1	3.1%
DHS	13	4	25	58	22.5%
DHS Staff	0	0	1	0	2.1%
Totals	20	7	49	122	18%

Current Enrollment as of January 14, 2022

	In-person Students	Virtual Students	Staff
DES	541	0	64
DHS	445	2	48
