RE: COVID Impact on Athletics

Athletes of indoor sports like basketball have had their mandated testing increased according to DOH/OSPI/WIAA regulations. This week two of our three current programs have had a number of positive tests which is forcing a temporary pause on activities for our High School Girls Basketball team and Junior High Boys Basketball team. Both teams will cease all activities for the next 10 days. We will continue to test and monitor our athletes in these programs as we have done and hope to resume soon.
