

SCHOOL SUPPLY LIST | SHELBYVILLE HIGH SCHOOL

Kyle Ladd

JUL 05, 2022

Listed below are items that would be helpful for your student to have here at SHS:

1. Reusable Water Bottle (automatic bottle fillers are located throughout the school building)
2. Personal Kleenexes
3. A three-ring paper notebook with tabs for different classes
4. A folder for each class to keep materials organized
5. Book Bag (not allowed inside classrooms)
6. Earbud headphones for chromebooks
7. Scientific calculator for math courses below Algebra 2. Graphing calculator (TI-84 plus) for math courses above Algebra 2.
8. *The Basics: notebook paper, pencils, pens, folders for each course, etc.*

All students will be issued a chromebook and a protective case purchased by the school district. They will be responsible for bringing this with them every day to school (fully charged), and taking it home each evening. Each chromebook will connect to our internal server and will be equipped with the goguardian network of cyber security. The school appointed chromebooks will be the only computer technology that will be allowed within the school building. These will be returned at the end of the school year.

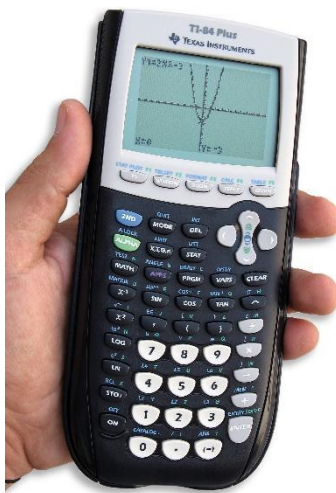

If you have a high school student, the math department recommends the following calculators:

1. **Algebra Concepts, Algebra 1, Geometry Concepts, Geometry and Applied Math** – Your child needs a scientific calculator with a fraction button. To know whether a calculator is a scientific one, look for the buttons sin, cos and tan. If one needs to be purchased, we recommend a Texas Instruments TI-30X IIS (color does **NOT** matter). They retail for about \$10-15
1. **Algebra 2**- This is a transition class for the use of calculators. For the most part your child will be using a scientific calculator. However, your child will be learning the basics of using a graphing calculator. If your child plans on advancing to Pre-Calculus you may want to invest in a graphing calculator. If not, we have some graphing calculators in the classroom for his/her use. Keep in mind that we **do not** have enough graphing calculators for everyone in Algebra 2 to take home overnight.
1. **Pre-Calculus and Statistics/Calculus** – Your child will need a graphing calculator. If one needs to be purchased, we ask that you purchase a Texas Instruments TI-84 plus (color does not matter). They retail for about \$100 - \$120. The TI-84 plus is the model type that is required for dual credit.

If you have any questions, please email **Rachel Banfield** at banfieldr@shelbyville.k12.is.us

School Dress Code/Student Appearance

Students are expected to wear clothing in a neat, clean, and well-fitting manner while on school property and/or in attendance at school sponsored activities. Students are to use discretion in their dress and are not permitted to wear apparel that causes a substantial disruption in the school environment.

- Student dress (including accessories) may not advertise, promote, or picture alcoholic beverages, illegal drugs, drug paraphernalia, violent behavior, or other inappropriate images.
- Student dress (including accessories) may not display lewd, vulgar, or obscene, or offensive language or symbols, including gang symbols.
- Hats, bandannas and sunglasses may not be worn in the building during the school day.
- Hair styles, dress, and accessories that pose a safety hazard are not permitted in the shop, laboratories, or during physical education.
- Hair should not cover the student's eyes.
- Clothing poorly fitting, showing skin and/or undergarments may not be worn at school. Spaghetti straps, plunging necklines, strapless tops or midriff revealing tops are not permitted.
- The length of shorts or skirts must be appropriate for the school environment.
- Appropriate footwear must be worn at all times.
- If there is any doubt about dress and appearance, the building principal will make the final decision.
- Students whose dress causes a substantial disruption of the orderly process of school functions or endangers the health or safety of the student, other students, staff or others may be subject to discipline.

State Sales Tax Holiday | August 5, 2022 - August 14, 2022
