Rams Family,

I hope that everyone is enjoying the remainder of summer. Before we venture into the month of August, I wanted to share some district dates and information with our returning students and families.

Registration (High School Gym): School registration is scheduled for Wednesday, August 2nd from 2:00 PM – 6:00 PM and Thursday, August 3rd from 7:00 AM – 10:00 AM. If you are unable to attend registration on these dates/times, contact the necessary school offices to setup an alternate time.

Shelbyville Community Unit School District #4

Pre-K First Day of School: The first day of Pre-School student attendance will be Wednesday, August 23rd.

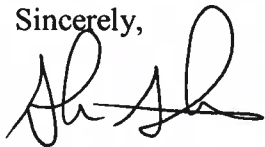

Meet the Rams (Fall High School Athletic Teams): Friday, August 18th.

Student Management System: The district is transitioning to a new student management system. This summer, data and information from the current system (Tyler SIS) will be imported to our new system Common Goal Systems/School Insight. In August, you will receive information from building administrators on how to access Common Goal Systems/School Insight and manage information including breakfast/lunch balance information. Of note, MySchoolBucks is no longer in use and all funds have been transferred into the new system. Parents will be able to add funds to the lunch program after the new system is operational. We ask for your patience as we transition to this new student management system.

With regards to the mentioned events above, as the date draws closer, more information will be provided by individual building/programs.

Enjoy the rest of your summer!

Sincerely,
