Direct Certification for Meals and Registration Fees: Each student within a household that qualifies for Direct Certification should have information with their registration documents. If your student, or if every student within your household does not have Direct Certification information with their registration materials, please go to the Free/Reduced room at registration for assistance. This room is located in the west gym hallway. Students that are Direct Certification will receive free meals and registration/dual credit fees will be waived. Students are still responsible for individual course fees.

Free or Reduced Meals and Registration Fees: Families are encouraged to review the fiscal eligibility guidelines to see if they qualify for free or reduced meals and registration fees. Access the link included with this letter for Fiscal Year 2024 Income Eligibility Guidelines. If you believe you will qualify for free or reduced meals and your student is not Direct Certification, or if you have questions about Free or Reduced meals and Registration fees, please go to the Free/Reduced room at registration for assistance. This room is located in the west gym hallway. Students that qualify for free will have registration/dual credit fees waived. Students are still responsible for individual course fees.
