Writing: Summaries

Phonics: Vowel Teams "ui" and "ue"

Math: Three-Digit Addition

Science: Solids & Liquids- Test Friday
Study Guide will be sent home in Wednesday folder

Handwriting: Continue Cursive

Parent Connection

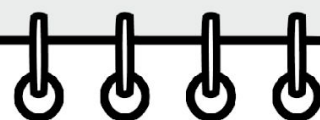

Words to Practice at Home

glue, blue, true, chew, flew, juice, argue, cruise, threw, stew

Write the words two times each on pieces of paper and mix them up. Play the game "memory" by having your child flip over two at a time until they get a match. When they get a match they must read the word correctly to keep the cards! Take turns and see who wins!

Reminders:

- With the weather getting much cooler, please make sure your child dresses appropriately to go outside for recess. Please make sure they bring a jacket and that their name is written in it.
- If your child is quarantined, please login to Schoology to complete assignments. Most of the assignments are found in Seesaw as well. All assignments should be completed in their entirety to be counted present for those days.

Dates to Remember

January 26th- Early Release @ 12:40

Reminder:

Please make sure that students are doing their homework on their own with only a little help from a parent or a sibling. The math homework we give each night is an exact reflection of what we did in class that day, so students should be able to complete the majority of it on their own. Thank you for your understanding and assistance!

To Do:

Continue to look for weekly emails from the 2nd grade teachers at the beginning of the week. There are many times that we include additional information in our email that is not stated on the newsletter.
