# What is SEPAC?

The Special Education Parent Advisory Council (SEPAC) is a collaborative group of parents/guardians. We are mandated and supported by Massachusetts law. We work to enhance the educational experience of children with special needs.

As an advisory council to the school district and student services, we work together to look for ways to improve services to children and support their families.

# Our Goals

- ~Empower, inform, and provide resources to parents, educators, students and professionals involved with special needs.
- ~Establish understanding and communication between parents/guardians and social officials.
- ~Advise the school district on special education programs, trainings, and policy issues.
- ~Promote communication and programs within the community to encourage understanding, acceptance, and inclusion of our children.
