

Laytonville High School

2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	Laytonville High School
Street	250 Branscomb Rd.
City, State, Zip	Laytonville, Ca, 95454-0325
Phone Number	707-984-6108
Principal	Mr. Tim Henry
Email Address	mr.tim.henry@gmail.com
School Website	https://www.lusd.us/laytonville-high-school
County-District-School (CDS) Code	23739162332260

2021-22 District Contact Information

District Name	Laytonville Unified School District
Phone Number	(707) 984-6414
Superintendent	Joan Potter
Email Address	jvpotter@mcn.org
District Website Address	www.lusd.us

2021-22 School Overview

Our campus is an inviting and creative environment that welcomes diversity, supports excellence and celebrates student success! We have a class schedule and options that represent our diverse faculty and community culture. Due to our six CTE pathways our students have elective choices to complement their rigorous core content classes. This includes Trigonometry, Chemistry, Physics, and Advanced Placement English Literature and Language.

Our current WASC and SPSA goals for improvement are to update and adopt new course materials in math, science and history, to systematically screen and identify students who need mental health services, and to implement methods such as PBIS and Restorative Justice to improve school culture to decrease behaviors that lead to referrals and suspensions which negatively affect the learning environment.

The progress indicators for our goals will be more current course materials, increased use of screening methods, and a decrease in referral and suspension rates along with more positive school climate ratings. These indicators will be reviewed annually by the school board, the district advisory counsel, and our high school site council.

The Mission of the Laytonville Unified School District is to:

Provide a safe environment in which our young people can achieve the knowledge, skills and attitudes necessary for success now and in the future, recognizing that varied needs require varied programs;

Insure that our students will be prepared to pursue any avenue of their choosing, secure in the knowledge that they can meet any challenge;

Establish from the earliest grades that students will be guided towards self-fulfillment, a sense of community and service to humanity.

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	29
Grade 10	38
Grade 11	28
Grade 12	24
Total Enrollment	119

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
American Indian or Alaska Native	11.8
Asian	0.8
Hispanic or Latino	19.3
Two or More Races	10.1
White	57.1
English Learners	7.6
Homeless	9.2
Socioeconomically Disadvantaged	57.1
Students with Disabilities	14.3

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
Permits and Waivers	
Misassignments	
Vacant Positions	
Total Teachers Without Credentials and Misassignments	

2019-20 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2019-20
Credentialed Teachers Authorized on a Permit or Waiver	
Local Assignment Options	
Total Out-of-Field Teachers	

2019-20 Class Assignments

Indicator	2019-20
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected	January 2021
--	--------------

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Literature: The Reader's Choice, 9-12 (Glencoe/2004)	Yes	0.0 %
Mathematics	Core Connections Algebra, Second Edition/ 2013 Algebra & Trigonometry, Structure & Method/2003 Calculus with Analytic Geometry/2003 Core Connections Integrated III, Second Edition/2015 Geometry-Integration, Applications, Connections/2003 Mathematics with Business Applications/2007	Yes	0.0 %
Science	Integrated Coordinated Science for the 21st Century/2004 Biology, Pearson/2017 Chemistry-California/2007 Earth Science/2007 Must Know High School Physics, McGraw-Hill/ 2020 Living in the Environment 17th edition/2012	Yes	0.0 %
History-Social Science	Economics-New Ways of Thinking/2007 American Odyssey-The 20th Century and Beyond/2007 Modern World History, Patterns of Interaction/2009 American Government Citizenship& Power/2009 Government in America, Fifteen Edition/2011	Yes	0.0 %
Foreign Language	Realidades 1,2,3/NA Th Ultimate Spanish Review and Practice/1998	Yes	0.0 %
Health	Glencoe Health, ninth edition, 2004	Yes	0.0 %

School Facility Conditions and Planned Improvements

This community passed a local bond issue 19 years ago to fund the building of a new high school campus, which was completed in the fall of 2003. The campus has a humanities wing, science and art classrooms, culinary arts room, five other classrooms, a library, computer lab, an administration office, kitchen and gymnasium. Each classroom has broadband Internet access and is part of the local network. The students and adults in this community are proud of Laytonville High School, and have worked hard to maintain it. The LEA has ensured that Laytonville High School is safe, clean, and functional. We perform a monthly assessment for our facilities to make sure the housekeeping is being done, the equipment is functioning (including the fire alarms and extinguishers), the rooms are in good order, the kitchen and cafeteria are safe and operational, and the fields and gymnasium are maintained properly. Whenever a repair needs to be made we use our system of work orders to make sure our facilities crew is notified and that emergency repairs get done immediately. Our DAC (District Advisory Counsel) takes up safety issues during its' monthly meetings and invites community input regarding safety concerns.

Some of the concrete areas are starting to show some wear and need repair. Leaks in the skylights have been repaired. New pumps need to be installed to support the septic system. Minor leaks in various buildings get repaired promptly. In December of 2012 a failure in the storm drain system resulted in the flooding of the Humanities, Art/Science, "C" wing classrooms and the Library Tech Center. This required a temporary relocation of classes and significant repairs and a renovation of the drainage system.

Nine years ago we renovated our drainage system, modified the creek drainage, repaired damage to the sub floor, and finished repairing floor and other damage caused by drain malfunction. Drains were installed in the Art/Science, Library/Tech Center, "C" wing and Humanities wing, venting systems were modified, berms were built near the creek, and the culvert was modified to better function in a extreme weather event. During the end of 2020 the Culinary arts room has been completely remodeled to better serve that pathway with up dated floors, sinks, stoves, a gas connection, and electrical upgrades to support a washer dryer and other equipment. All classrooms and individual offices have been upgrades with air purifiers to improve air quality during extreme fire events and pandemic. During the spring of 2021 new floors were installed in the gym lobbies, and the administration buildings.

School Facility Conditions and Planned Improvements

Year and month of the most recent FIT report

October 2021

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			Older heating and cooling systems are gradually being replaced with newer wall mounted systems as needed.
Interior: Interior Surfaces	X			Interior surfaces are in good condition.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			Continous trapping of field mice is being conducted to keep rodents out of buildings.
Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X			The old water fountains were replaced with a centralized hydration station and filling stations in their place
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs	X			The gym drainage system needs to be upgraded and plaster repaired where raingutters have failed.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	28	10	35.71	64.29	--

Students with Disabilities	--	--	--	--	--

2020-21 Local Assessment Test Results in ELA by Student Group

This table displays Local Assessment test results in ELA by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

N/A Student Groups	N/A Total Enrollment	N/A Number Tested	N/A Percent Tested	N/A Percent Not Tested	N/A Percent At or Above Grade Level
All Students	N/A	N/A	N/A	N/A	N/A
Female	N/A	N/A	N/A	N/A	N/A
Male	N/A	N/A	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A	N/A	N/A
Asian	N/A	N/A	N/A	N/A	N/A

Black or African American	N/A	N/A	N/A	N/A	N/A
Filipino	N/A	N/A	N/A	N/A	N/A
Hispanic or Latino	N/A	N/A	N/A	N/A	N/A
Native Hawaiian or Pacific Islander	N/A	N/A	N/A	N/A	N/A
Two or More Races	N/A	N/A	N/A	N/A	N/A
White	N/A	N/A	N/A	N/A	N/A
English Learners	N/A	N/A	N/A	N/A	N/A
Foster Youth	N/A	N/A	N/A	N/A	N/A
Homeless	N/A	N/A	N/A	N/A	N/A
Military	N/A	N/A	N/A	N/A	N/A
Socioeconomically Disadvantaged	N/A	N/A	N/A	N/A	N/A
Students Receiving Migrant Education Services	N/A	N/A	N/A	N/A	N/A
Students with Disabilities	N/A	N/A	N/A	N/A	N/A

*At or above the grade-level standard in the context of the local assessment administered.

2020-21 Local Assessment Test Results in Math by Student Group

This table displays Local Assessment test results in Math by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

N/A Student Groups	N/A Total Enrollment	N/A Number Tested	N/A Percent Tested	N/A Percent Not Tested	N/A Percent At or Above Grade Level
All Students	N/A	N/A	N/A	N/A	N/A
Female	N/A	N/A	N/A	N/A	N/A
Male	N/A	N/A	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A	N/A	N/A
Asian	N/A	N/A	N/A	N/A	N/A
Black or African American	N/A	N/A	N/A	N/A	N/A
Filipino	N/A	N/A	N/A	N/A	N/A
Hispanic or Latino	N/A	N/A	N/A	N/A	N/A
Native Hawaiian or Pacific Islander	N/A	N/A	N/A	N/A	N/A
Two or More Races	N/A	N/A	N/A	N/A	N/A

2020-21 Career Technical Education Programs

Laytonville High School has six distinct CTE Pathways in Arts, Building Trades, Culinary Arts, Technology, Emergency Response and Welding and Materials joining. Each pathway is designed to introduce students to skills that can be applied to future college and career readiness. Our pathways relate to traditional courses and based on the industry needs for our region. Our arts pathway starts with two-dimensional design, then visual arts and related careers, and advanced graphics communications as a capstone course. Our Building Trades Pathway is offered as a dual enrollment class through Mendocino Junior College. Students can take introduction to building trades and construction trades and then residential construction and remodel. Our culinary arts pathway offers food and nutrition, and then food and beverage production and preparation. As a capstone course students will be placed in a food service internship. Our technology pathway offers office systems and technologies during the 9th grade year and computer repair and support during the Junior year. Students in these courses are encouraged to complete certificate programs as a part of the coursework. Our Emergency Response pathway begins with first responder basic and continues with fire fighting occupations and our Fire Department class. Our welding and materials joining pathway has an introduction and will add an advanced course next year. Most of our CTE pathways may be completed with a Capstone Course through our Community Classroom offering.

During the 18-19 school year new graduation requirements were passed through the board of education mandating that students complete two of our CTE pathways or one pathway and their A-G requirements.

Our CTE programs are taught by CTE credentialed teachers and are taught to the Common Core Standards. Data is starting to be collected through the Carl Perkins and CTEIG grants regarding student completion of pathways, comparative scores for students completing pathways, and the eventual employment of students completing pathways in their industry area. Our CTE advisory committee is attended by representatives from culinary, emergency response, and construction pathways.

2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	99
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	13.3
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2020-2021 Pupils Enrolled in Courses Required for UC/CSU Admission	96.64
2019-2020 Graduates Who Completed All Courses Required for UC/CSU Admission	28

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Booster Club: Parents and community members are involved in supporting the sports program through running the concession stands for games, organizing awards banquets and other fundraising programs to benefit the athletic programs.

School Site Council: Staff, students and parents meet a minimum of once per month to plan and review school programs. SSC is an opportunity to get involved in school governance. SSC sponsors parent education events, where parents meet with experts to discuss various teen issues. Parents are called upon to help with school club events, such as helping with transportation, chaperoning events and field trips, and building floats for Homecoming. In addition the Site Council sponsors a student incentive program in order to promote positive school attendance, achievement and involvement.

Activities include an end of year community celebration, honor banquets for recognized students and their families, and student incentive assemblies.

District Advisory Committee-This committee is comprised of representatives throughout the school district . The purpose of the committee is to advise the school board on various shared decision making topics such as the budget, the school calendar and other school policies.

Parent Conferences- Conferences are held twice a year in order for parents to meet with teachers to discuss student programs.
Healthy Start- The school works in partnership with the local Healthy Start program. Parenting and Family empowerment courses are taught through Healthy Start.

Communication with Families and Community-The office e-mails weekly bulletins to all the parents on the email list about current activities events and ways for parents to become involved. An Edulink call, text, and email system is now being used to inform parents about upcoming events and is able to contact parents when students are missing from school. A new program, Aptegy, is being used to communicate with parents about school events and happenings, Aptegy is connected with our district website and is available to parents through a downloadable application.

ELL Counselors- We have an English Language Learner Counselor who works with students and their families. Part of their purpose is to help parents become more involved at school and to help give them a voice in school policy.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	7.56	2.33	5.76	0.79	3.47	0.20
Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	16.15	10.80	2.45
Expulsions	0.00	0.50	0.05

2020-21 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	2.33	0.00

2021-22 School Safety Plan

In previous parent and student satisfaction surveys, school safety was rated as one of the highest areas of success in our school. The Safe Schools Plan is reviewed in staff meetings and in DAC meetings every other month. Students are required to take a semester of health education and this course is supplemented and enriched throughout the year with health and safety related activities. The youth worker and peer counselors facilitate semi-annual health events where speakers conduct workshops on topics such as substance prevention, HIV/AIDS, pregnancy prevention, nutrition, and personal fitness. Student Commission has focused on student health and safety in relation to substance abuse, gang affiliation and nutrition. The student Nutrition Liaison position serves as a representative with SNAC (student nutrition advisory council), a district wide committee that reviews nutrition and wellness in the schools. An Alcohol and Other Drug secession group exists. A counselor is available to students every day of the week. Youth empowerment is supported through Healthy Start activities such as employment development, cooking classes, and counseling. Three years of physical education is required of all students and multiple modules of the Healthy Kids Survey are administered. Results from the survey are used to determine focus areas for health education. Over the past eight years a CTE/ROP Public Safety class has been offered for students that are interested in careers in public safety and provides First Aid/CPR and First Responder training to the students and it has been very popular. Many of our safety efforts during 2020 and 2021 have been and continue to be focused on keeping students and staff safe with the Covid 19 Prevention Plan reviewed by the site council and the school board on a regular basis.

The most current approval of the Comprehensive School Safety Plan by the school board was February 4, 2021. The high school site council members reviewed and approved the safety plan on January 9, 2020. The school board will have a public hearing on Jan. 13, 2022.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	6	21		
Mathematics	5	21		
Science	6	10		
Social Science	8	13	1	

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	5	28		
Mathematics	5	36		
Science	6	10		
Social Science	5	22		

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	5	16		
Mathematics	4	17		
Science	7	7		
Social Science	3	19		

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	297.5

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	0.4
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	0
Social Worker	0
Speech/Language/Hearing Specialist	0
Resource Specialist (non-teaching)	0

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teach salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	18,789.58	4,144.06	14,292.90	57,296
District	N/A	N/A	10,837.61	\$55,150
Percent Difference - School Site and District	N/A	N/A	27.5	3.8
State			\$8,444	\$71,544
Percent Difference - School Site and State	N/A	N/A	51.4	-22.1

2020-21 Types of Services Funded

The Laytonville Unified School District provides general education services, special education services and alternative education services to children in grades K-12. Library services, counseling, psychological services, child welfare and attendance services, services for English Language Learners, and remedial academic services are provided. Academic support and enrichment is provided through a comprehensive summer school program and the various after school programs.

Restricted Categorical Funds (2020-21):

The district receives Federal categorical funding that is legally restricted to the intended programs and purposes. The primary purpose of these funds is to provide supplemental support programs to assist all students to meet Federal, State and local performance standards and growth targets. The administrative team works collaboratively to maximize the impact the funds have on the educational programs that support student achievement.

TITLE I Part A, Basic Grants: \$198,823

Purpose: to ensure that all children have a fair, equal and significant opportunity to obtain a high-quality education, and reach minimum proficiency on the state content standards and assessments.

Uses: Instructional materials, Professional Development, Salaries

TITLE II: \$17,270

Purpose: Improve professional development of teachers and administrators

Uses: Staff Development, including substitute costs

TITLE VI Part B: Rural Education: \$18,353

Purpose: To provide educational opportunities to students in rural low-income communities.

Uses: Instructional Support Materials

TITLE VI: Indian Education Grant \$17,553

Purpose: To provide educational and cultural opportunities for American Indian students.

Uses: Salaries for liaison and event coordinators, materials for cultural events

STATE FUNDED PROGRAMS:

Local Control Funding Formula provides for funds for the majority of the programs offered at Laytonville Elementary School which include the general education program and its staff and materials, textbooks and supplemental materials in order to meet the goals of the district's Local Control Accountability Plan.

The Local Control Funding Formula Supplemental Concentration funds the ELL program, teacher retention and incentives, instructional materials, health technician time increase, field trips, after school tutoring, summer school, class reduction, paraprofessionals, computer lab technician, social-emotional counselor, library open during lunch, increase in yard supervision.

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$46,309	\$45,813
Mid-Range Teacher Salary	\$56,647	\$70,720
Highest Teacher Salary	\$85,488	\$93,973
Average Principal Salary (Elementary)	\$104,093	\$111,613
Average Principal Salary (Middle)	\$0	\$119,477
Average Principal Salary (High)	\$99,546	\$120,270
Superintendent Salary	\$137,377	\$150,704
Percent of Budget for Teacher Salaries	25%	29%
Percent of Budget for Administrative Salaries	9%	6%

2020-21 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered	0

Professional Development

Staff members of Laytonville High School have three days of paid professional development during the contracted school year and conduct Professional Development during our 1.5 hours of weekly staff meetings. We also encourage our teachers to seek out relevant training's that occur during the course of each year. This has gotten even easier as many teachers have been able to engage in virtual trainings. Our staff has been participating in PBIS trainings on a monthly bases (two of them were full days) with an outside facilitator helping our staff improve school climate and decrease disciplinary issues. During the 20-21 school year distance learning was the bulk of our Professional Development has focused on teachers training in zoom calls, how to administer on-line learning like Edgenuity, learning how to manage Canvas learning, training in AERIES student information systems. Many teachers continued training in their content areas like AP literature training, ERWC training, Health based teen talk training, and of course, our new teachers participating in the teacher induction programs. During the 19-20 school year our staff worked on a self study to improve instruction, we took part in a school to prison pipeline workshop, our health teacher attended teen talk training. During the 18-19 school year we have focused all day staff training's in conducting Socratic Seminars and Project Based Learning. Socratic Seminar training was selected because it is directly linked to achieving Common Core Standards and promoting critical thinking and listening skills across all of the content areas. We have conducted Socratic Seminar staff meetings to keep our skills fresh during selected staff meetings. We selected PBL for another all day staff training to bring newer teachers up to speed in the methodology and to learning new planning techniques for PBL lessons. We regularly share out about our projects during our weekly staff meetings to discuss what went well and what we learned from it. During the 17-18 school year our staff attended many off site training's including five day CTE trainings for Information Technology and Culinary Arts pathways, our counseling staff attended multi-day workshops for counselors, our science teacher attended many days of STEM training, our ELA teacher attended a day long PBL workshop, and our whole staff did a cultural awareness training. The Teacher Induction Program program is an integral part of staff development for the four beginning teachers and their mentors. The teachers are supported in their staff development through professional learning communities each year, discussion during staff meetings, collaboration, teacher mentorships, and formative observations in order to improve instruction and cement the learnings of the professional development.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2019-20	2020-21	2021-22
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Laytonville Unified School District

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

2021-22 District Contact Information

District Name	Laytonville Unified School District
Phone Number	(707) 984-6414
