January 19, 2022

To All Parents/Guardians:

Please be advised that, effective Friday January 28, NWCSO will discontinue offering on-campus COVID rapid testing for students. The Indiana Department of Health has ceased providing the school district with BinaxNOW rapid COVID tests.

Rapid tests are now available at no charge from the Federal government beginning January 19. The US Postal Service will deliver one set of four at-home coronavirus tests to valid residential addresses. Ordering information may be found at the website: COVIDTests.gov.

Additionally, over-the-counter COVID tests are now reimbursable through group health plans.

Pending any revised guidance from the Indiana Department of Health, NWCSO will continue to apply isolation/quarantine protocols previously communicated on January 3, 2022. NWCSO will accept the results of an at-home test via email/text.

If you should have questions/concerns regarding your student's health, advisability of attendance at school and/or providing at-home test results to the school, please contact Nurse Sherri Tandy at (463) 222-7493.
