

Instructions for completing this application:

- This application is for students who have received a letter inviting them to apply. If you believe you should have received an invitation to apply, but didn't, please see Mrs. Leidig or Mr. Anderson.
- To be considered, the applicant must meet all deadlines, complete all requirements, and follow all directions. If you have questions, ask Mrs. Leidig or Mr. Anderson for help.
- All gray boxes **must be typed**. Change your font size to fit all that you need to say into the box. It is easier to complete this form on a computer versus an iPad.
 - Download or Save the application first (do not try to fill it in from your browser). Open the document from your download or from the location where you saved it. You should then have the option to "fill & sign" on the right side of your computer screen. If the document doesn't open automatically in Adobe Acrobat Reader, right click and choose "open with" and then "Adobe Acrobat Reader."
 - If you have the newest version of Adobe Reader, follow these directions: after opening the PDF file in your browser, download/save it to your computer. Open the document from its saved location, use the third tool from the left "sign, add text or send a document for signature" to type directly on the form. Next, choose "Add Text" over on the right.
 - If neither of the above options work for you, open the application with your iPad and use Notability to type. Then email the form to yourself, open on a computer, fix the formatting (Notability tends to change the font, margins, etc. Put the pages back together like the original) and print.
- Neatness and professionalism are important components of this application.
- Please keep in mind that not all recommendations come back favorable. Be sure to ask people who you know will give you a good recommendation to aid you in this process.
- The leadership and service verification forms **SHOULD NOT** come from the student to Mrs. Leidig or Mr. Anderson. **In order to guarantee a fair and honest assessment of the student, the forms must come directly from the sponsor to Mrs. Leidig or Mr. Anderson. If you need to have an exception to this requirement, see Mrs. Leidig or Mr. Anderson for permission first.**
- Mrs. Leidig and Mr. Anderson will **not** accept verification forms directly from students.
- If you have any questions about the application process, please ask Mrs. Leidig or Mr. Anderson.

(Do **not** turn this instruction page in with your application)

Instructions for completing the Service Verification Form
Do Not turn this instruction page in with the final application

What is service? Service is considered volunteerism by the applicant which is done on behalf of others (not including family) without any direct or indirect benefit to the applicant. Your service activities must meet the criteria below:

- Individual or group service projects completed either in or out of school.
- **The volunteer experience must be connected to and verified by a reputable, nonprofit institution** (church, non-profit organization, school, etc.) The signature must not be of an immediate family member (see Mrs. Leidig or Mr. Anderson for exceptions).
- Each applicant must have participated in at least **four different volunteer activities while in high school OR accumulated a minimum of 15 volunteer hours in one service activity**. Be sure to explain the activity well! If the activity is questionable as to whether it is an actual “community service,” the Faculty Council will look to your explanation, so make sure to explain how the activity is a noteworthy service to the community (you may attach an additional page if necessary). It is better to over-explain than not give enough information.
- The hours that you list for your service must be the actual hours that you spent working on a service project. Do not count hours that you spent attending meetings, etc.
- **Note: Being a student assistant for a teacher and fundraising activities for a club/team do not qualify as volunteer activities.** Fundraising for a club or team that you belong to does not count as service because the applicant indirectly benefits. Exception: If the fundraising supports a non-profit institution such as the Humane Society, Open Arms, Rescue Mission, etc., you may count it as a service.
 - Working concession stands for Northwestern Boosters:
 - If the applicant is required by his/her team to work a concession stand, then the service does not count.
 - If the applicant volunteers his/her time when a volunteer is needed and not because his/her sport is required to work that shift and if his sport does NOT receive funds for his volunteerism and if he/she is not benefited in any way, then yes, working the concession stand will count as service.
 - Working sport camps:
 - If the applicant is required by his/her coach to work a sports camp, then the service does not count.
 - If the students attending the camp have to pay a fee and that fee goes to the coach as a supplement to his/her salary, the service does not count.
 - If the applicant volunteers his/her time without pay and if his/her team or coach does not receive profit from the camp, then the student’s volunteerism counts as service.
- It is always better to be over-qualified.
- If the service is connected with Northwestern High School, fill out the top part of the **Service Verification Form** and ask the adult sponsor who is in charge to return it to Mrs. Leidig or Mr. Anderson. He/she should not give the form back to you; he/she can hand deliver it to Mrs. Leidig or Mr. Anderson or put it in their school mailbox. You’re finished; ignore the next step.
- If the service occurred **outside** of Northwestern High School, fill out the top part of the **Service Verification Form** and ask an adult who is connected with the nonprofit institution to verify your service by completing the bottom portion. The student should provide the sponsor with a stamped, addressed envelope, and the sponsor should complete the form and mail it directly to **Mrs. Leidig, Northwestern High School, 3431 N. Co. Rd. 400 W., Kokomo, IN 46901.**

Do Not turn this instruction page in with the final application

- Each applicant **must currently hold** at least **one** major leadership position at Northwestern High School or in an outside group such as church youth group, 4H, Boy or Girl Scouts, etc.
- If the applicant does not currently hold a leadership position, he/she may still meet this criterion if he/she can list three leadership roles held previously at school or in the community since the ninth grade. If this is the case, have three copies of the **Leadership** Verification Form completed.
- Examples of leadership include but are not limited to
 - class officer,
 - club officer,
 - society officer,
 - editor of yearbook,
 - varsity athlete or cheerleader,
 - band drum major,
 - band captains,
 - band/choir section leader, and
 - member of vocal jazz, or Group 1 Choir Contest
- If you feel you hold a leadership position that is not listed above, add an additional page to your application which explains your leadership role to the Selection Committee. The burden of proving your leadership abilities is on you, the applicant.
- Only ask sponsors to verify your leadership if you are sure they will give you a good recommendation. If a sponsor does not give you a good recommendation, your chances of being accepted will be greatly lessened.
- Please do not confuse mentoring with leadership; the Faculty Council does not consider them to be the same thing. The Council sees mentoring as more of a “service” than an example of “leadership.”
- The **Leadership** Verification form may be used for leadership positions both within and outside of Northwestern High School.
- If the leadership is connected with Northwestern High School, fill out the top part of the **Leadership Verification Form** and ask the adult sponsor who is in charge to return it to Mrs. Leidig or Mr. Anderson. He/she should not give the form back to you.
- For an **outside** organization, a completed form should be given to the adult responsible along with a stamped, addressed envelope. Rd. 400 W., Kokomo, IN 46901** before the February 21st deadline. It is the applicant’s responsibility to supply the adult sponsor with an addressed, stamped envelope. **Northwestern High School sponsors** can hand deliver their forms to Mrs. Leidig or Mr. Anderson or put them in their school mailbox.
