STAFF: IF YOU TEST POSITIVE FOR COVID-19

Isolation Procedures
(applies to all who are positive for COVID-19)

1 Stay home for at least 5 days

2 Stay home as long as you have symptoms that have not improved

3 If you have a fever, continue to stay home until your fever resolves

"Fever free without medication for 24 hours"

4 Released from isolation on Day 6 if no symptoms or other symptoms improved

5 Continue to wear a mask around others for 5 days after release from isolation

6 Report status to Business Manager & put in leave request

Some symptoms such as cough, fatigue, and loss of taste & smell can sometimes take several weeks (or months) to completely go away. The threshold is symptoms are improving and you are feeling better.
