WEST

Reading Month

This past March was packed with fun for our Bangor West students. Thanks to monies raised at our fall book fair, we kicked off the month with a visit by author Johnathan Rand. Students gathered in the gym to hear how the author was inspired to start writing books. He also took the time to sign some books and take pictures. Other activities that took place during the month included a book swap, reading prize giveaways, family reading night, our talent show, and battle of the bobcats.

Spring Concert

Students from Bangor West Elementary had their Spring Concerts on Tuesday, May 22, at the JGHS auditorium. The music celebrated the season and looked forward with eager anticipation to the coming summer break. Fourth and fifth graders played recorders in addition to singing, and many students in the second and third grades had solo singing/speaking opportunities after beginning with some folk dancing. The concerts were well attended and well received. Thank you to all for coming to support our young Bobcats.

Another successful FIELD DAY!!!

Beautiful weather, cool kids, supportive parents, and fun games made for an awesome Field Day at the best school in town! Thanks to all of the parent helpers for making this event possible!

Salmon Release Day

Congratulations to Mr. Miller and the Aquaponics club on all of their hard work this school year. They successfully raised 116 of 200 salmon eggs into small fish and released them in the Kawkawlin River. Some of the salmon reaching six inches in length— some of the largest the DNR had ever seen.
