Stay at least 6 feet apart and do not gather in groups.</li> <li>- A face covering/mask that covers both the mouth and nose is required to be worn by all students when on campus except when eating or drinking. Failure to comply will result in a request for the student to leave the campus and may result in disciplinary action for violation of the NWTC Student Code of Conduct.</p> <p><i>These protocols are subject to change based on guidance from COVID-19 authoritative sources.</i></p>

Students who are not medically able to tolerate a mask will be asked to provide documentation.</p> <p>In addition to enhanced cleaning and disinfection of the school, we also will be teaching and reinforcing good handwashing and other hygiene practices. Students will be asked to disinfect their desks, tools, and other surfaces at the start of class. We also ask that parents and students do a self-screening for symptoms and stay home if they are present. We will be working with our local health department on protocols for students and staff should anyone be exposed to or contract Covid-19. I will share additional information with you as it becomes available.</p>
