

KATAHDIN SCHOOLS RSU #89

Office of the Superintendent

800 Station Road Stacyville, ME 04777 Voice: 207-365-4272 Fax: 207-365-4138

January 23, 2022

Good evening Katahdin Families. I'm calling with the weekly district announcements.

Thanks to KMHS staff, students and families for your swift response to the threat that occurred on Tuesday. Protocols and procedures have been modified to support the prevention of this happening in the future.

KMHS students are finishing up their midterms this week. This has been an opportunity for students to show what they have learned the first half of the year. Thanks to all KMHS students for your hard work.

KES students have done an excellent job adjusting to universal masking. We continue to take mask breaks outdoors and have enjoyed being able to eat in the cafeteria with our new grant-funded cafeteria tables.

Grade 2 was provided paperwork for Dental Sealants which will take place on Feb 2nd. The consent forms must be returned by Wednesday Jan 26 to participate. Sealants are for Grade 2 only.

Beginning tomorrow KES students in grades 2-5 will be participating in our winter NWEA testing. Please remind your child to do their best on their test. This assessment provides important information that helps to direct your child's learning path.

Please keep sick children at home to protect our school and community. A link to the Pre-Screening Tool for School Attendance will be on the website and in the email of this message.

Thank you for taking the time to listen to this message and enjoy your evening.

Sincerely,

Marie Robinson, Ph. D.
Superintendent of Schools
