FORTUNA UNION HIGH SCHOOL DISTRICT
MEASURE D GENERAL OBLIGATION BOND OF 2012

INDEPENDENT AUDITOR'S REPORT

Board of Trustees and Citizens' Oversight Committee
Fortuna Union High School District
379 12th Street
Fortuna, California 95540

We have conducted a performance audit of the Fortuna Union High School District (the "District") Measure D General Obligation Bond of 2012 for the year ended June 30, 2018.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 4 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure D General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for the District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of the District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39 as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the District's internal controls.

The results of our procedures indicated that, in all significant respects, the District expended Measure D General Obligation Bond funds for the year ended June 30, 2018 only for the

specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

FORTUNA UNION HIGH SCHOOL DISTRICT

MEASURE D GENERAL OBLIGATION BOND OF 2012
PERFORMANCE AUDIT

For The Year Ended June 30, 2018

BACKGROUND INFORMATION

California Proposition 39, the Smaller Classes, Safer Schools, and Financial Accountability Act, was approved by voters on November 7, 2000. Proposition 39 amended the California Constitution in Article XIII A, Section 1(b)(3) to allow the approval of bonded debt by 55 percent of voters, provided that the bond proposition meets the following requirements:

1. Proceeds from the sale of the bonds shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities.
2. The bond proposition includes a list of the specific school facilities projects to be funded, and a certification that the Governing Board of the District evaluated safety, class size reduction, and information technology needs in developing the list.
3. The Governing Board conducts an annual independent performance audit to ensure that the funds have been expended only on the specific projects listed.
4. The Governing Board conduct an annual independent financial audit of the proceeds from the sale of the bonds until all of the proceeds have been expended for the school facilities projects.

In addition, the California Education Code was amended to include Section 15278, which provided an additional requirement that a school district must establish and appoint members to an independent citizens' oversight committee.

The Fortuna Union High School District 2012 Measure D General Obligation Bond (the "Bond") was approved by voters on November 6, 2012 to provide \$10 million in improvements to the District's facilities. The Bond proceeds are to be used for the purposes as described in the following summary of the proposition on the official ballot:

To modernize, construct and renovate outdated classrooms, restrooms and school facilities; repair or replace leaky roofs; increase student access to computers and modern technology; replace old heating, ventilation, and air-conditioning systems; improve energy efficiency; and make health and safety improvements.

The first sale of the Bond measure occurred on February 28, 2013 in the amount of \$3,500,000. The first expenditures for facilities improvements occurred on March 7, 2013. The first project funded by the bond proceeds, the new East High Continuation High School building, was completed in August 2014. The second sale of the Bond measure occurred on October 28, 2015 in the amount of \$3,000,000. The third and final sale of the Bond measure occurred on November 3, 2016, for \$3,425,000.

FORTUNA UNION HIGH SCHOOL DISTRICT

MEASURE D GENERAL OBLIGATION BOND OF 2012
PERFORMANCE AUDIT

For The Year Ended June 30, 2018

The District appointed a seven-member Citizens' Oversight Committee (COC) on April 9, 2013, as required by law. The COC meets on an annual basis, or more frequently if needed during construction phases of projects. The District maintains a website link on the District's website with information on the bond project and copies of the oversight committee minutes as required by Education Code Section 15280(b).

The District records all financial activity related to the Bond in Fund 21 (Building Fund). The Building Fund was presented as a major fund in the District's audited financial statements for the year ended June 30, 2018.

OBJECTIVES

The objectives of our performance audit were to determine whether the District expended Bond proceeds in compliance with the provisions of Article XIII A, Section 1(b)(3) of the California Constitution, and that the expenditures were only for the purposes and projects approved by the District's Governing Board and voters, as listed on the official ballot for the proposition.

SCOPE OF THE AUDIT

The scope of our performance audit covered the year ended June 30, 2018, and included all expenditures of the Bond proceeds, as listed in the detailed general ledger for the District's Fund 21 (Building Fund).

METHODOLOGY

We obtained the Building Fund's detailed general ledger and financial activity reports prepared by the District for the year ended June 30, 2018, and performed the following procedures:

1. We reviewed the list of projects being performed and verified that the list is consistent with the projects and purposes listed in the official ballot for the Bond proposition.
2. We verified that the District is accounting for the bond proceeds and expenditures in a separate capital outlay fund (the Building Fund), that the District established a separate debt service fund (the Bond Interest and Redemption Fund), and that proceeds from the issuance of the Bond were deposited into the Building Fund and the Bond Interest Redemption Fund.
3. We selected a sample of expenditures from the Building Fund for the year ended June 30, 2018 and reviewed supporting invoices and other documents to ensure that the

FORTUNA UNION HIGH SCHOOL DISTRICT

MEASURE D GENERAL OBLIGATION BOND OF 2012
PERFORMANCE AUDIT

For The Year Ended June 30, 2018

expenditures were allowable costs under the provisions of the Bond and Article XIII A, Section 1(b)(3) of the California Constitution. Our sample of expenditures included a total of four expenditures totaling \$47,340, comprising 91 percent of total Building Fund expenditures for the year ended June 30, 2018.

4. We verified that there were no expenditures of the Bond proceeds for teacher or administrative salaries, or for general District operating expenditures.
5. We reviewed documentation of the establishment of the Bond Oversight Committee to verify that the Committee was established in accordance with the provisions of Education Code Section 15278.
6. We interviewed a member of the Bond Oversight Committee and reviewed minutes of committee meetings to verify that the committee is fulfilling its duties as required by Education Code Section 15278.
7. We prepared a summary of Bond proceeds and uses of Bond funds.

FORTUNA UNION HIGH SCHOOL DISTRICT
MEASURE D GENERAL OBLIGATION BOND OF 2012
PERFORMANCE AUDIT

For The Year Ended June 30, 2018

CONCLUSION

The results of our procedures indicate that, for the items tested, the District has properly accounted for the expenditures of the Bond, the expenditures were for allowable costs and were in accordance with the approved projects list, no expenditures of Bond proceeds were made for teacher or administrator salaries or for general operating expenditures, and the District complied, in all material respects, with the requirements regarding the Bond Oversight Committee. Our audit does not provide a legal determination on the District's compliance with specific requirements.

The results of our procedures disclosed an immaterial instance of noncompliance with the requirements for the Bond Oversight Committee which is described in the Management Comment section of the this report as Finding 2018-1. Our conclusion on the District's compliance with requirements regarding the Bond Oversight Committee is not modified with respect to this matter.

MANAGEMENT COMMENTS AND RECOMMENDATIONS

2018-1: Citizen's Oversight Committee Membership

Finding

Per Education Code Section 15282 and the bylaws of the Fortuna Union High School District's Citizen's Oversight Committee (the Committee), no employee of the District may serve as a member of the Committee. When members were appointed to the Committee, none of the appointed members were employees of the District. However, in the year ended June 30, 2018, one of the members of the Committee was hired by the District as a part-time, temporary athletic coach. At the end of the athletic season the position terminated, and the Committee member is no longer employed by the District. However, during that time frame when they were employed by the District, the member should not have participated on the Committee.

Recommendation

Since the member is no longer employed by the District, we do not believe that they need to resign from the Committee at this time. We recommend that in the future the District remind Committee members that they either should not accept employment positions with the District while they are on the Committee, or they should resign from the Committee when they are employed by the District.

Views of Responsible Officials and Corrective Action Plan

District management agrees with the recommendation, and will adhere to the corrective action plan described in the "District's Corrective Action Plan" section of this report.

STATUS OF PRIOR YEAR MANAGEMENT COMMENTS

2017-1: Bond Oversight Committee

Finding

The Bond Oversight Committee is required by California Education Code Section 15282 to include among its members a member of a bona fide taxpayers' organization. The taxpayer organization member of the Bond Oversight Committee resigned in 2015. The District has not been able to fill that position on the committee since that time. This is due to a limited number of individuals in local taxpayer organizations who are able or willing to serve on a committee, coupled with an increase in the number of local school districts that have issued general obligation bonds under Proposition 39 requirements and that are in need of taxpayer organization members to serve on their committees

Current Status

The District filled the taxpayer organization member vacancy in 2018/19.

FORTUNA UNION HIGH SCHOOL DISTRICT CITIZEN'S OVERSIGHT COMMITTEE

Fiscal Year ending June 30, 2018

ANNUAL REPORT

THIS REPORT IS HEREBY ADOPTED BY THE **FORTUNA UNION HIGH SCHOOL DISTRICT CITIZEN'S OVERSIGHT COMMITTEE** PURSUANT TO EDUCATION CODE SECTION 15278 AND SUBMITTED TO THE PUBLIC IN CONFORMANCE WITH SUCH SECTION.

2017-18 Annual Report Executive Summary

On November 6, 2012, the Fortuna Union High School District (FUHSD) submitted for voter approval Measure D, a bond measure to authorize the sale of \$10 million in bonds to improve school facilities. The measure passed with 61.3% affirmative votes, greater than the 55% required under the terms and conditions of Proposition 39, Article XIII of the California State Constitution.

The Citizen's Oversight Committee (COC) was formed following action of the FUHSD Board of Trustees on February 12, 2013, and reached a total of seven (7) members by April 24, 2013. The action of the FUHSD Board of Trustees also established bylaws clarifying the Committee's rights, duties and limitations. Agendas and minutes of the COC are posted on the FUHSD website.

The first series of bonds in the amount of \$3,500,000 were sold on February 28, 2013. Funds from this bond sale will be primarily used for the construction of East Continuation High School. The second series of bonds in the amount of \$3,000,000 were sold on October 28, 2015. The third series of bonds in the amount of \$3,425,000 were sold on November 3, 2016. Funds from these bonds will be used on the modernization and seismic retrofit of the gymnasiums and locker rooms. As is required by law, the FUHSD Measure D Bond Fund was subjected to a performance audit for the period ending June 30, 2018. As described in the Performance Audit, the Measure D funds were deemed to have been expended appropriately.
