Welcome to Ste. Genevieve High School:

What an amazing time it is to be an SGHS student! At SGHS, we are proud of our continued tradition of strong academic achievement and extra-curricular accomplishments. As we enter the 2018-2019 school year we will continue to embrace our strong traditions while fostering an environment that encourages new, student-centered approaches. Dr. Boyd and I are excited to begin an innovative era of service to education in the Ste. Genevieve community.

We remain committed to excellence in education and continue to offer and expand a challenging curriculum for students, including the option for a college preparatory certificate. Students may also choose to get a head start on their college career by taking college credit in areas such as math, science, social studies, communication arts, foreign languages, business, automotive and family and consumer sciences. Our A+ designation allows participating students to earn free tuition for two years at a community college or at many of the Missouri technical schools. This year we are looking to expand our use of college and career ready programs, such as SchoolFlex, and begin partnering with area industries to provide real-world, in-depth opportunities for our students.

During the 2018-2019 school year, we also will be dedicated to the continual growth of our award winning technical and fine arts programs. These programs include areas of study in agriculture, wood working, automated drafting, auto mechanics, foreign languages, art, music, business, play production and family and consumer sciences. For our sophomores, juniors, and seniors, we will continue our process of registration via mail and online over the summer beginning July 9, and we ask that you please take advantage of this convenience. If you choose not to register via mail or by dropping off your papers in the office, we will see you during the following registration times (no schedule changes will be made during this time):

Grade 9: Wednesday, August 8, 2018 9:15 a.m. – 1:15 p.m.
(participate in an outstanding required orientation day)

Grades 10- 12: Online or Thursday, August 9, 2018, 9:00 a.m. – 2:00 p.m.
(closed for lunch between 11:30- 12:30)

Please feel free to call 573.883.4500 ext. 1 and allow one of our incredible staff members to further assist you if needed.

If you are a dedicated patron, we invite you to schedule a guided tour of our wonderful facilities. We are proud and appreciate that families in the Ste. Genevieve community entrust us with the education of their children. It is our belief that SGHS pride is in everything we do. It's a great day to be a Dragon!

Sincerely,

Mr. Chris Hoehne,
Principal
