

**CASSIA JT. SCHOOL DISTRICT #151**  
**DISTRICT PUBLICATION AND NEWS MEDIA OPT-OUT FORM**

Joint School District No. 151 policy allows the release of the names and images of its students to promote school district programs and events. Examples would include local television stories on school events, videos and print material produced by district staff, pictures and videos of student activities posted on school websites, school newsletters, and school social media pages, and photographs in local print publications. In order to ensure that such videos or publications are appropriate, approval of district or school-level administration is required prior to the program or publication being produced.

If you would prefer that your child not be shown in promotional materials, please fill out the following form and turn it into your school office prior to the start of the second week of school. This form will be kept on file to ensure that your child is not included in any promotional materials produced at his or her school. If you have more than one child at an elementary, middle, or high school in our district please include each of the students' names below.
