

January 14, 2022

Dear Center Cass Families -

Below is an update on positive cases since Monday, January 10. Any close contacts have been notified.

First Grade - 2 cases  
Sixth Grade - 2 cases  
Seventh Grade - 2 cases  
Eighth Grade - 1 cases

Although higher than normal, positive case counts are starting to trend back down. Our trend is consistent with the student trend from DuPage County (green line is 5-14 year olds).

No School on Monday.

For those interested in trivia, please consider joining Team 66's Trivia Night only Saturday, January 29th. Parents can play with friends and family near or far. Everyone is welcome! Click the link for more information. <https://my.cheddarup.com/c/t66-virtual-trivia-night>.

Have a great three-day weekend.

Sincerely -

Dr. Wise  
Superintendent of Schools
