

BRYAN COUNTY SCHOOLS

II. Residency

To obtain enrollment in the Bryan County School District, students must reside in the county with their natural parent(s), or court-approved legal guardian(s). Students and their parent(s)/guardian(s) must remain residents of the county for the entire period of enrollment in the School District. For enrollment purposes, a resident is defined as an individual who is a full-time occupant of a dwelling located within the county and who, on any given school day, is likely to be at their stated address when not at work or school. A person who owns property in the county, but does not reside in the county, is not considered a resident for these purposes.
