SELECT CHOIR, CONCERT CHOIR

Staley Orchestra

LOVE WHERE YOU EXCEL

34 College Credit Courses are offered, one of the highest in the area!

More than half of our juniors and seniors take these courses! Our students can graduate from Rome Free Academy with more than 30 college credits!

Students leave high school with enough credits to begin their sophomore or junior year of college.

Seventy-nine percent (79%) of our graduates attend either a two-year or four-year college, and Mohawk Valley Community College offers free tuition to the top 10 percent (10%) of our graduating class.

RFA is a State-of-the-Art high school located on the Griffiss Business and Technology Park campus.

Advanced College Level and Advanced Placement Courses

Did you know?

Margaret McLean, is a best selling author who graduated from RFA.

A large background photograph of a female teacher with glasses and a ponytail, smiling and looking towards a young student whose back is to the camera. Other students are visible in the background.

LOVE WHERE YOU **LEARN**

MASTER TEACHER PROGRAM

The New York State Master Teacher Program (NYSMTP) in partnership with The State University of New York and Math for America, was inspired to bolster K-12 STEM education. Eight Rome teachers now have this designation.

RFA Earth Science teacher, and Master Teacher, Anthony Spado.

Stokes teacher Amanda Barton with student.

Ridge Mills students participate in a Google Hangout chat with an elementary school in Brooklyn. Coordinated through MOBOCES School Library System.

69% of

Rome's 4-year olds attend the Rome City School District Innovative Early Childhood Pre-K Program.

Student in the Early Childhood Program at Clough.
