

Rock County Christian is part of the Wisconsin voucher program, known as the Wisconsin Parental Choice Program (WPCP).

All students must apply each year at dpi.wi.gov/choice. (Enrollment opens Tuesday, Feb. 1, 2022.)

If a student is **new** to the voucher program, the family income of the student must be at or below the amount listed in the table below.

- Family income includes the income of the student’s parent(s)/legal guardian(s) that reside in the same household as the student applicant.
- If the student’s parents/legal guardians that reside in the same household are married, **their income is reduced by \$7,000** when determining income eligibility for the program (i.e. married family income minus \$7,000). For example, if a family of four with parents that are married has an income of \$60,000, **subtract \$7,000 from their income** and compare that amount (\$53,000, not \$60,000) to the income limit for a family of four in the table below (\$58,300).
- Family size includes parents/legal guardians and their children by birth, marriage or adoption that reside in the same household as the student applicant.

Table 2 – WPCP Only Income Limits 220% of the Federal Poverty Level for 2022-23

Family Size Maximum Yearly Income*	Maximum Yearly Income*
1	\$28,336
2	\$38,324
3	\$48,312
4	\$58,300
5	\$68,288
6	\$78,276
	*If the student’s parents/legal guardians are married, their income is reduced by \$7,000 when determining income eligibility for the program (i.e. married family income minus \$7,000 is the amount married families compare to the table).

For each additional member add \$9,988 to the maximum yearly income.

If a student was enrolled at RCCS in 2021-2022 **and** received a voucher, **the student must still apply at dpi.wi.gov/choice. The family does not have to meet any income limits or verify their income. You will need to provide proof of residency** (click [here](#) for a list of approved documents).
