9. INFORMATION ITEM

9.1 Bus Barn Clean Out

The Recology dumpster was dropped off Monday, October 31st with scheduled picked up Monday, November 7th. We were able to clean out a great deal of unneeded and broken items in the bus barn to allow for storage. We will likely need an additional dumpster in the spring to do another clean up to clear out all the old/broken furniture and items collected over the years.

9.2 Senior Project Volunteers

We had a high school student approach the school to clean up in the Nature Center for a Senior Project. Clean up will occur in stages to clear out brush, clean out planter boxes and trim up trees and bushes in order to have the Nature Center accessible for students again.

We had a couple high school students volunteer to help with set up/booths/clean-up for the Halloween Carnival. They will be helping with other Parent's Club events and projects around the school as well.

We had one high school student volunteer to help in the after school program. She is working with the students teaching them some activities and games while volunteering.

9.3 Caught Being Good

We have implemented the Caught Being Good incentive for students to encourage positive behavior inside and outside of the classroom. Students that are showing exceptional citizenship, sportsmanship, friendship, positive behavior, etc. will receive a Caught Being Good slip. One slip will be sent home, and one placed in a drawing. The drawing will occur at the end of the trimester as an additional positive incentive for students.
