WAN Questions

1. Please provide <u>all sites and bandwidth requirements</u> for the Wide Area Network RFP.
   -We are required a 1Gbps link between West Feliciana High School and West Feliciana School Board Office.

2. I see the WAN RFP asks for two sites for connectivity but the IA RFP says it is for 5 total sites.
   -The WAN connection is only between West Feliciana School Board Office and West Feliciana High School.
