

Dear Roosevelt Elementary Community,

I am excited to be a Roosevelt Roughrider! It is an honor to serve this community that has a rich history of academics, student enrichment, parent involvement, and tradition. Our school and community are amazing and special place. Our students are surrounded by dedicated adults who thrive on seeing them learn and grow. We are very fortunate to have a very supportive and involved community of parents, volunteers and caring adult who invest into each of our students.

In the Klamath Falls City School District, ALL are learning and learning is for ALL. We look forward to teaming up with families to support your student(s) as they accomplish their goals, create relationships, and become connected. Together, we will build on the traditions of the past and continue to meet the challenges of the future.

At Roosevelt, our vision is “Dedicated to helping all students do their best work and become their best selves”. We all make choices in life and the learning we take away from them has the ability to move us forward in positive directions. It is our hope that students have a successful year building upon who they want to become and making good choices.
